CHASE IN HILLS ENDS IN COURT

Two Flint Men Pay Fines Here After Arrest In Bloomfield

Arrested by Patrolman Delos Anderson of Bloomfield Hills after a chase in which three shots were fired, Mike Gibson and Herbert Frain, both of Flint, no street address given, were fined \$50 each as disorderlies when they pleaded guilty before Justice Floyd E. Buck here Monday.

According to the patrolman, Gibson opened the door of the car in which he was sitting when the officer approached and started to run. Anderson gave chase and fired his revolver into the air. This failed to halt the man, he said, and he was captured only after he fell into a ditch off Woodward avenue, spraining his ankle.

When arraigned for failure to procure a dog license, Charles Kilburn of Chicago showed a doctor's certificate that he was a sufferer from rheumatism.

A performance at a New York theater had to stop because some joker had sprinkled snuff about to make the actors sneeze.

Miss Laura Fenn of Waukegan, Ill., dropped dead after dancing her 20th consecutive dance without an intermission.

TRACTION FACTOR, SAYS TIRE DEALER

"Because modern traffic conditions demand it, motorists should make sure that their tire equipment is such as to facilitate quick pickup and quick stopping—with safety," declared F. E. Sternal, Goodyear dealer whose service station is located at Woodward & Dalnes streets.

"Cars today must be equipped with tires which seize the road with a firm grip and hang on the best brakes, even if on all four wheels, are hindered unless the tires perform with full efficiency.

"So that traction in an important quality in tires. To drive with safety in congested traffic, on wet streets and on country roads where the tendency is to speed up a bit, motorists should have tires with plenty of traction."
