GRADUATES Gifts

Who . . . ? What . . . ?
When . . . ? Where . . . ?

HAVE you given thought to WHOM you will give a gift when the June Class graduates this month?

If you have, WHAT will the gift be. Just WHAT will the boy, or girl appreciate?

WHEN are you planning on making the purchase of that gift? Time is drawing nigh and before we know it Commencement will find many unprepared friends.

After you have decided WHO, WHAT and WHEN you must ask yourself: WHERE shall I find this gift?

We know WHERE you will find the gift because we have spent many hours preparing "just the things" that will be remembered by the graduate!

Give Your Baby Sun Baths

"Every baby should be in the sunshine because, like flowers, babies need sunshine to be healthy and grow strong. The baby that does not get plenty of sunshine will become pale and sickly. To keep the baby well and keep him from getting rickets, colds and other sicknesses, he should be given sunshine every day."

—Dr. Herman Bundesen, as Health Commissioner, Chicago, in his book "Our Babies."

A Station-to-Station call is one that is made to a certain telephone rather than to some person in particular.

If you do not know the number of the distant telephone, give the operator the name and address and specify that you will talk with "anyone" who answers at the called telephone.

A Person-to-Person call, because more work is involved, costs more than a Station-to-Station call. The rate on a Person-to-Person call is the same at all hours.
