Playing no Favorites with Big Mileage

Big claims won't produce big mileage, but after rolling along on a set of Generals month after month you can look to your speedometer for the real big mileage story.

Users' records all over the country prove that General plays no favorites in rolling up big mileage. . . . Easy riding comfort, safety and distinctive good looks all contribute to General's outstanding preference among car owners, but in the final analysis mileage is a tire's strongest good-will builder.

ATTEND OUR Tenth Anniversary Celebration and Sale
June 1st to 30th

TEN years ago our business began with little stores in Saginaw and Flint, by Mr. C. F. Hack, President, and shortly later with Mr. Rudolph Eckert, Vice-President. From a small beginning these stores have now grown to a tremendous business with three of the largest Food Markets with restaurants in Michigan, at Saginaw, Flint and Pontiac.

This event will be especially observed in our three stores the entire month of June with attractive bargains and special features throughout.

We heartily invite you to our stores and to inspect our offerings. You will find everything in food—all under one roof—at prices that are never high.

MICHIGAN BELL TELEPHONE CO.

Announcement
Concerning Use of Public Coin Box Telephones.
Coin Must Be Deposited to Signal Operator.

Within the next few days the coin box telephones now served by the Birmingham exchange will be changed to the type which requires that a coin be deposited; AFTER THE RECEIVER IS REMOVED FROM THE HOOK, to signal the operator.

All coin box sets cannot be changed in one day. While the work of changing the sets is going on BOTH types of coin box stations will be in service. A card bearing full instructions as to the method of making calls will be found at each public telephone and in those cases where the new type of pay station has been installed, a placard calling attention to the change in operations will be placed near the telephone.
