## People Move-Homes Don't!

When you are making decisions about the home you will buy or build—give most careful thought to Neighborhood. What will it be five or ten years from today?

You've seen what happens when undesirable elements are allowed to invade a once desirable neighborhood. The particular families move. But their homes can't move with them! Why buy or build an attractive home - then be forced to leave it?

In the Judson Bradway properties, residences are hermanently desirable because they are for-ever protected by Judson Bradway's "Use and Building Agreement." The exclusiveness of homes in Bloomfield Village, Eastover, Chelmsleigh, is assured, not for a single generation, but forever.
