RESULTS GIVEN IN TEST FLIGHT

Practice Held in Model Airplane Contest For Youths Here

A practice contest in flight of model airplanes was held in the Adam Junior High school gymnasium last Thursday. The contest, while final, gave the plane builders an opportunity to determine the errors in their constructions and to rectify them before Birmingham's final contest, which will probably occur the latter part of this month, according to Merlyn H. Smiley, Adams Junior High manual arts instructor. Mr. Smiley and Howard D. Crull, manual arts instructor at Baldwin High School are co-operating on the model plane building. Results of last week's contest are as follows:

Table with columns for Baby R. O. G. Type, Indoor Tractor Type, and names like Anderson, Naumann, Merz, Johnson, Zeigler, Bowles with scores.

EUCLID PAVING IS REOPENED

Church Representatives Ask Village Board For Re-consideration

Seymour D. Adams and Oscar Saborn, members of the board of the First Presbyterian Church, appealed to the village commission Monday night to reopen the proposition of paving Euclid avenue, from Woodward to Ferndale avenues. The necessity of additional parking space near the church is said to be the reason for requiring the pavement. The proposition was recently tabled by the commission when property owners in that vicinity protested against the improvement and its attendant taxation. The commission referred the subject to Mr. Adams and Mr. Saborn, asking them to learn from the church board if the church would stand the cost of creating a new sidewalk grade on the north side of the church, suitable for additional parking space. Don Briggs, 18, of Oakland, Cal., has joined his father in San Quentin prison, where both are now serving sentences for burglary.

DRIVERS ESCAPE IN WOODWARD CRASH

Two drivers escaped injury Monday night on south Woodward avenue when their autos collided with a street car. The drivers were Arthur Hammel, 209 Webster avenue and Alfred Greenwood of the Oakland Hills Country club. Both cars were damaged, police report.
