BIRMINGHAM: WE'RE WITH YOU

Next Monday the People of Birmingham will be confronted with a task that will test their civic spirit — that of making possible the New Community House.

The need for this has been shown again and again, and now the time has come to "Build For a Better Birmingham." Let's get behind and put it over.

TroY AGAIN IN DIFFICULTY

Second Attempt Made To Halt Completion Of Cigar Factory

Edward Raff and 15 other residents of Troy Township today again worked to prevent the $1,000,000 cigar factory from being constructed on property near the township. The attempt to prevent the opening of the tobacco warehouse was made against the Bay State Grist Mill and Wharf Co., which has already been granted a permit by the court to build the cigar factory.

The court ruled that there was no prohibition against the building of a cigar factory on the property and that the residents had no right to object to the opening of the factory. The permit was granted by the court.
