Working Day and Night

Six men have been engaged day and night for the past few weeks repairing and sharpening hand and power mowers as the result of an unprecedented demand created by the recent warm weather.

And the flood of demands is just beginning!

It will be of mutual convenience if you will send your machine in immediately for necessary repairs. Your work will be taken care of in proper order and we shall do our best to give you prompt service. Don't delay.

Special grinding machines which insure absolute accuracy have been purchased by us. In fact, we offer service without a par in this district. Proficient workmanship will also interest you.
