5 years of service is only a starting point for BUICK—Skilled engineering and rugged construction make it the most durable of motor cars!

Keep in mind, when buying your new car, that more than three-quarters of all the Buick cars produced in the last twenty-five years are still serving their owners. Buick endures—Buick stays young—Buick stands up and gives its best over a longer period than any other car—because it is endowed with an extra-rugged double-drop frame—Buick's world-famous Sealed Chassis and Triple-Sealed Engine—and the most nearly perfect oiling system ever developed.

You'll prefer Buick because it leads in beauty and luxury; and you'll prefer it, too, because it is the most durable of cars—and therefore the most paying investment.

All Buick models have Lovejoy Hydraulic shock absorbers, front and rear, as standard equipment.

SEDANS $1195 to $1995  COURSES $195 to $1850  SPORT MODELS $1195 to $1525
