Is He Jealous? Do not confuse jealousy with love. It is born of suspicion, distrust and selfishness. The suspicious, distrustful person is naturally secretive himself, and if his writing is combined with all the signs of selfishness, doubt, sneering qualities and lack of self-respect, he will be dangerous. Jealousy is a very serious matter...

Is He Economical? There are many ways of being economical. The economy should not mean saving scraps of leather, but a desire to accomplish a great deal with the least expenditure of effort. True economists write a small handwriting, but it is not cramped or cramped. Printed capitals are made by men and women who respect form and who are precise in their work...
