Need you be reminded that May 13th is Mothers' Day? There are so many details in our daily life to attend to that we are prone to forget even the most important. And so we are using this space to remind you.
Now that you are reminded you will want to send Mother something unusual, something that will convey your love and gratitude. Just anything won't do, will it?

REGIONAL HEAD OF SCOUTS HERE
Miss Alice Kirk, regional director of the Girl Scouts for Girl Scout District 7, covering Illinois, Indiana, Michigan, and Wisconsin, was in Birmingham Tuesday and yesterday to instruct members of the Community Council and the council to be formed will make Birmingham independent of any other Girl Scout groups except the national council.
Miss Kirk was here Tuesday and Wednesday with all the members of Girl Scout committees. Tuesday afternoon she met with the scout committee-women and last night she met and gave instruction to the leaders of Birmingham's seven troops at a meeting held in the Baldwin Public Library.
She was the guest for dinner Tuesday evening of Mrs. Richard C. Fowler, of Harmon avenue, secretary of the council, and Wednesday evening of Mrs. Louise A. White, of Brookside drive, president.
Today she is in Pontiac, doing much the same work. Her position demands that she keep in touch with the various groups and their leaders in her region.

PYTHIAN SISTERS AT OXFORD MEETING
