Never a road too long for the ALL-AMERICAN SIX

Wherever you may go. From Maine to California. From Canada to the Gulf. The length and breadth of this great American continent... never a road too long for the All-American Six. For, so far as all, it’s reliable. It’s sturdy, built to endure... proved by pilothole testing. General Motors Proving Ground. From its whispering blades of an engine... to its Fisher bodies constructed of hardwood and steel.

There’s long life in ever assembly... in every component part, in the carefully adjusting, self-ventilating clutch... in the smooth-shifting transmission... in its perfectly matched connecting rods... in its rugged frame... in its powerful motor. When you set out in an All-American... no matter how far or how fast you may drive... you can be sure of your destination... in safety, in comfort, on time!
