Ground Broken For House In Pembroke Manor Here

Construction work on the new house to be built in the Pembroke Manor Subdivision development in Southfield was commenced recently. This house will be a two-story, six-room unit, with a garage and basement. It will have a distinctive modern design and will be completed in the spring.

Give Some Bricks

"Give us a chance to work," was the frequent refrain heard in the community last week. The residents of Pembroke Manor, Southfield, organized a brickyard to provide employment for the unemployed members of the community. The brickyard will operate on a co-operative basis, and the residents will work and manage it themselves.

More Than 300 Attend Opera

BETTY COWLEIGH, Dorothy Ashley, Charles Elveher, and Aldo Leopold performed at the Opera House last week. The Opera House was packed to the rafters, and the audience was highly appreciative.
