BALDWIN DEBATORS POINTED FOR
OPENING MEET NOVEMBER 16

Baldwin high school has become
a member of the Michigan High
School Debating League this year
and will compete for the inter-
scholastic debate championship of
the state, according to an an-
nouncement by Professor G. E.
Densmore, Manager of the League.
The first step in the competi-
tion for state honors will be taken
on November 16 when the local
high school debating team, coached
by H. Earle Corrovet of the
faculty, will meet one of the
neighboring schools, to be an-
nounced later by the University.
In a debate on the subject: "Re-
solved, that a Federal Subsidy for
the Development of an American
Merchant Marine Would Be a
Wise National Policy."
Three other state-wide debates
on December 7, January 11, and
January 25, will constitute the
four Preliminary Debates, in
which all schools will participate
in order to compete for entrance
in the Elimination Series of de-
bates which begin on February 16.

Only the sixty-four schools with
the highest percentage of victo-
ries will be entered in this Elimina-
tion Series and each of these
sixty-four schools will receive the
University of Michigan Wall Pla-
que Trophy through the co-opera-
tion of the Detroit Free Press.
This Trophy is in the shape of
a shield, the design of which was
taken from the well-known Uni-
versity of Michigan shield. Its
base is of American walnut, 17
inches in height and 15 inches
across the top, and the medallion,
super-imposed upon the shield, is
9 inches in diameter, three-eighths
of an inch thick, and is cast in
solid bronze with all lettering ar-
tistically embossed.
While the Elimination Series
beginning on February 15, is in
progress the sixty-four schools
will debate among themselves with
the defeated schools dropping out
after each debate until only two
undefeated schools remain. These
two schools will be taken to Ann
Arbor, at the expense of the Uni-
versity, for the State Champion-
ship Debate on April 26. Each of
the six debaters participating in
this final debate will be presented
with a gold watch by The Detroit

Free Press and both schools will
receive a large bronze trophy cup,
engraved First Honors, the other
engraved Second Honors, both
presented by the University of
Michigan Extension Division.
This year for the first time the
University of Michigan Extension
Division will recognize the success
attained by the two semi-final
schools by presenting each with a
bronze trophy cup properly en-
graved.
A large number of high schools
from all parts of the state have al-
ready joined the League, and it is
expected that by October 20, the
date when the League enrollment
closes, the membership for the
year will surpass last year's re-
cord membership of 244 schools.
Any four-year high school in
the state may become a member
of the Michigan High School De-
bating League by applying for
membership to Professor G. E.
Densmore, Manager, University
of Michigan, Ann Arbor, Michi-
gan.

The Michigan High School De-
bating League, the largest foren-
sic organization of its kind in the
United States, was organized by
the Board of Regents of the Uni-
versity of Michigan in 1917 with a
membership of sixty-four schools
which has steadily grown to the
membership of 244 schools of last
year. With this largest enroll-
ment in the history of the League,
1200 high school debaters partici-
pating in 600 debates which were
headed by 125,000 people of the
state. The final State Champion-
ship Debate of last year, held in
Hill Auditorium in Ann Arbor,
where Royal Oak High School de-
feated Zeeland High School, was
attended by 4,000 people, which
is the largest audience ever to at-
tend a debate in this state.
