## LITERARY CLUB HEARS PRESIDENT

Government Stressed in Talk At  
Baldwin Library Meeting

Mrs. Carl B. Chamberlain, president and Mrs. Colin E. Kilburn, secretary, of the City Federation were the speakers at the Tuesday meeting of the Birmingham Women's Literary club held in the Baldwin Public Library. The entire program dealt with various club federations.

In her resume of the City Federation contacts and influences, Mrs. Chamberlain mentioned the courts, the civic and social interests of the city and its suburbs. She urged a deeper interest be taken in music, citing it as one of the essentials of life.

"Women can do a tremendous amount of good for the unfortunate," Mrs. Chamberlain said, "and I believe that the Community Fund is the way to reach these persons." She also urged that women act themselves for legislative office, stressing the need of women in politics. "However," Mrs. Chamberlain said, "I do not feel that women should ever hold the office of governor."

Mrs. Kilburn's talk brought to the members the highlights of the State Federation meeting held last month at Salt Lake City. She stressed the importance of educating women to keep abreast with the times.

Mrs. Clarence Viet briefly reviewed the multi-lateral treaty and a resolution was adopted asking the National Congress to enact a plan for clothing and articles for the Community Thrift Shop. Mrs. Dandeno was entered by Mrs. Charles Shain.

Mrs. James Cobb and Mrs. Rhett Barr, representatives of the society on the village motion picture committee, reported the work of the committee at their meeting held Monday night in the Baldwin High School.

Mrs. Carrie Utegraff and Mrs. James L. Campbell acted as hostesses. The American Home department will be in charge of the next meeting which will be held at the library Nov. 27.

## 'U' ASSOCIATION BACKS TREATY

Pleasant Ridge members of the Birmingham branch of the American Association of University Women were hostesses for the village members at the meeting yesterday afternoon at the home of Mrs. Albert Owen Dunk, of 38 Ridge road, Pleasant Ridge.

The afternoon's program dealt with legislation, Mrs. Charles J. Shain speaking on the world court. In her talk, Mrs. Shain definitely distinguished between functions and operations of the League of Nations and of the world court.

## PEASANT SONGS ON CLUB BILL

Thursday Musicals Members Hear  
Special Program At Regular Meeting

Bohemian peasant songs were sung by Frank Pavlik before the Thursday Musicals club at their meeting last week in the Baldwin Public Library. Mr. Pavlik is a young Bohemian who is studying music in Detroit. His selections were from the more sad and pathetic folk songs.

Gaiety and laughter of the peasants was the theme of the songs sung by Mrs. James Oliver. A Detroit trio composed of Frank Ugeonier, violinist, Miss Irene Madill, cellist and Miss Mildred Drinkaus, pianist, played the Slavk dances by Dvorak. Miss Drinkaus also accompanied the soloists.

The history of the country and its relation to the music was reviewed in a paper by Mrs. Leslie G. Lamborn.

A group of songs by Friml and Dvorak, sung by Mr. Pavlik closed the program.
