WOMEN ORGANIZATIONS OFFER SCREEN PROGRAM SUGGESTIONS

A letter composed by a committee of the village, headed by Mrs. Fred Farrar, today was sent to the office of the Kunsky Theater corporation in Detroit, suggesting the type of theater program for a village such as Birmingham.

The letter asks that a representative of the Kunsky system be sent to confer with this committee at the meeting Dec. 3. Other members of the committee are: Mrs. Lee A. White, Mrs. J. C. Fulleylove, Mrs. John J. Gail and Howard D. Kruhl.

The committee was named from a representative group from 16 Birmingham organizations which met Monday evening in the Baldwin High School at the invitation of Mrs. Fred Johnson, president of the Parent Teacher Council.

At about the same time ago a representative of the Kunsky corporation visited several heads of village organizations, asking for suggestions on theater programs and soliciting theater parties drawn from club groups.

Thinking this an opportunity for an expression of village sentiment, a representative meeting was called, which has in turn placed the matter in the hands of their committee.

The letter commends Russell Chapman, manager of the Kunsky Birmingham theater, and Morgan Garreau, organist. "We feel that they are in contact with the atmosphere of the village and try in every way to co-operate with their patrons," Mrs. Farrar said.

Three suggestions were made, however: she said, that the slapstick comedy be omitted, that "better" slides be used with songs, and that more care be taken in selecting the films for Friday and Saturday showings.

Upon the suggestion of Mrs. White a list of films suitable for children, taken from two magazines for parents, was included in the letter and an ideal program mentioned.

"We wish in no way to convey the idea of censorship," members of the committee agreed. "We wish to suggest that the program be of the type which would be of interest to the children."

The organization is a literary society of national and state officials of the University Guild will be present at the installation.
