JOHNSON'S MEN FAIL IN TRY TO COME BACK

Close Grid Tilt Ends In 6-0 Loss For Birmingham Eleven

SCOTT HIGH IS NEXT

By GEORGE G. WILLIAMS
Monroe conquered Birmingham. They were taxed to the utmost to accomplish this feat, however, John Benedict scored the lone touchdown on a team that was holding up its end of the battering battle admirably.

Having spent all their aggressive strength at the forward wall and the wings in the game which Monroe won, 6-0, Friday afternoon, a consolation remains for the Baldwin sportsmen. It is: Monroe tied Mt. Clemens for the E. A. A. league honors, instead of giving the Bathers an individual holding. Every mother's son of the Maroons recalls the bitter defeat at the hands of Mt. Clemens. To beat Monroe, which they gave their best to do, was to eliminate that team from the ranks of winners. To lose was to place them equal with Mt. Clemens on the pedestal of championship. Monroe won five games in the conference, Mt. Clemens, four—their percentages of 1,000 are the same.

Benedict Stars
Benedict, the downstater's full-back was the lance of the home

warriors. He pierced the line on a deft spinning play for numerous gains. He furnished a large share of Monroe's yardage through the line which totaled 163 yards on 42 plays. He was stopped less than a half dozen times for no gain.

The time was set for striking Birmingham's goal line, when half of the third quarter had passed. The drive started with the oval on the Birmingham 40 yard line after the visitors, losing on a penalty and an end run, had punted. Three first downs were accomplished in six plays, the last of which was a 15 yard slant of tackle by Benedict placing the ball on the four yard stripe. It took two blows at the line by the dynamic fullback to score. The placekick by Simmons, who hurried in to the game after being forced out earlier with injuries, was blocked.

A valiant effort was made by Birmingham to come back but their strongest blows failed to bring them into scoring territory. Monroe protected itself against a punt. After taking the ball on the Birmingham 48 yard line a first yardage grind of first downs, which the line aided greatly in accomplishing, ended the strength of the final plays in scoring territory.

Tied For Downs
In first downs, the two aggregations tied, with 11 each. Statistically Monroe had some advantage gaining a net total of 171 yards to 126 for Birmingham. The punch in the home team's line drives show in the 153 yard total for this year. The visitors, however, showed in the 107 for Birmingham. In end running Birmingham led with 66 yards to 37 for the downstater. Birmingham completed one and had one intercepted out of five. Monroe completed two and had one interception out of seven throws.

the chain and then punted. Grubler's well-aimed kick rolled out on the Birmingham nine yard line. Then started the relentless drive featuring Floyd Doherty and Herman Schwartz which was not stopped until Monroe took the oval on its own 14 yard line, 77 yards from the starting point. Five first downs were tallied. The first was made possible by Gore who carried the ball seven yards on a plunge and then on the second play moved the chain. Doherty and Schwartz each added five yards off tackle on the next. "Red" assailed the line again, this time for nine yards. Following, Quarterback Herman skirted the wall by Roderick Cox accounted for the fifth first down. After unsuccessful tries with a triple-pass, a forward pass and an end run, Elmer Root dropped back to attempt a placekick for field goal. The position was excellent but the ball was partially blocked and Kutsche was downed with it on his 14 yard line.

That was Birmingham's strongest bid on a score. However, the swirling grind of first downs, which the line aided greatly in accomplishing, ended the strength of the final plays in scoring territory.

Over 100 invitations have been mailed today to young people in Birmingham, Detroit, Bloomington, Hills, and other municipalities for a dance to be given for the students of Cranbrook School by Dr. and Mrs. William Oliver Stevens, Nov. 28.

The dance will be a formal affair for the school only; it is announced. Each student will be allowed to invite only one guest. The purpose of this year is to increase, size or enrollment and the fact that the students are better acquainted with each other and with other young people elsewhere has made this advisable.

A new feature will be the formation of the dance committee into a corps of ushers who will act as hosts, introducing guests, caring for numbers on the program and serving refreshments.

The affair will be held in the auditorium, on the second floor of the school. The stage will be decorated in an autumnal scene, as the dance is to be the night before the start of Thanksgiving holidays. The orchestra will be enthroned within a rustic fence, a large turkey will form the background, and a decorated illuminated sign will be used for numbers, extras, and intermissions. Refreshments will be served in the lobby.

A number of special dances, among them the Paul Jones dance, will be introduced for variety. Warren Moore, art instructor, is the master in charge of the function. A committee of boys of the school has been chosen to care for listing invitations, and for the dance in general and is as follows: Ralph Thomas, chairman; Fike McIntosh, Alfred Davock, George Devlin, George Kittredge, Gustave Penns, Lorne Melton, and Frank Ward, and Harlow Davock.

Briefly Told

A profit of more than \$100 was realized on the "G. B. Reserve" movie, the group presented in the Birmingham Theatre last week, says Margaret Strand, local president. A special program on the stage and screen helped draw a crowd that left standing room only for some time, it is reported.

In memory of Armistice Day, the members of Baldwin High school gathered in the Senior Session room and sang patriotic songs Friday afternoon. Vadine Scott gave a solo, accompanied by Margaret Strand.

The first of the annual series of monthly faculty parties was given yesterday at the Community House by teachers of Adams Junior High School. It was in the form of a masquerade ball, and the many present spent a very enjoyable evening, playing games, bridge and dancing.

Next month Baldwin High teachers will entertain the rest of the instructors.

SCOTT HIGH NEXT

Coach George Johnson's troop goes through a light workout tomorrow in preparation for the encounter with Toledo Scott High School. This is the tenth game of the season and is played at the Toledo Scott stadium at 2:30 p. m., Saturday. So far Birmingham has won seven and lost two and has three more matches to play. Coach Johnson directs those wishing to attend the game to take the Telegraph road, state highway No. 25, to Toledo. The stadium is near the northern limits of the city on the main thoroughfare. The regulars are expected to be in fair shape for the fray. Elmer Root, Roderick Cox, George Wasey and Douglas Berger have all sustained leg injuries, but will not be out of uniform.

Edward Kurth who has been prevented from playing during the past three weeks because of a fractured wrist probably will not be used until the Rochester game next week.

The game will be a formal affair for the school only; it is announced. Each student will be allowed to invite only one guest. The purpose of this year is to increase, size or enrollment and the fact that the students are better acquainted with each other and with other young people elsewhere has made this advisable.
