

News Of Baldwin H. S. And Other Schools

ARMISTICE DAY IS CELEBRATED AT BALDWIN

An Armistice Day celebratory assembly program was given by the eighth grade of Baldwin Junior High School in the school auditorium Friday afternoon.

The program was opened with a group of selections by the High School orchestra, directed by A. W. Bernitt. Victor Canever fol-

lowed this with the Scripture reading.

The next feature was a toe-dancing number by the Salles twins, Betty and Jane. Jane Crossley sang.

One of the most amusing features of the program was a reading by Betty Quorton.

Rev. D. L. Woodward, pastor of the First Baptist Church, closed the program with a talk on "The Evils of War."

NAME TEACHER IN JOURNALISM

Miss Joy M. Osborn Succeeds Miss Packard At Baldwin

Miss Joy M. Osborn assumed her duties as English and journalism instructor at Baldwin High School last week, during the absence of Miss Beulah Packard.

Miss Osborn has had considerable experience along the lines in which she is instructor here. She was head of the English department at Ferndale High School five years, taught at Battle Creek and for a year has been in Wyoming. Her home is in Maple Rapids, but she expects to take up residence here shortly.

Miss Packard was given a leave of absence because of the recent death of her father.

JUNIOR PLAY CAST IS NAMED

Doris Hoffman To Have Lead In "The Patsy" Presented Dec. 14

Miss Doris Hoffman has been chosen to play the lead in the Junior Washington Group play, "The Patsy," to be presented in the High School auditorium Dec. 14. It is announced today, "The Patsy" is a three-act comedy taking place entirely in the living room of a middle-west American home.

As her understudy, Miss Hoffman has Miss Jean Brooks. The Misses Joy Stewart, Elizabeth Cobb, and Vadine Scott play the other feminine parts, with Helen as Miss Stewart's understudy. Harry York plays the leading masculine part, opposite Miss Hoffman. Herman Schwarze is understudy for this part. John Bangs, Fred Johnson, Donald Gorr, and Gerald Higby play the other masculine roles.

* SOCCER *

The Adams Junior High School soccer team held the faster, heavier, and more experienced Lincoln High School, Ferndale, to a 1-1 tie at the local field Friday.

The enemy's offense was decidedly better than that of the Adams boosters, but the local boys showed remarkable defense which enabled them to withstand the onslaughts of the Ferndale squad.

Adams' score was received in the first quarter, and not until the third period was the opponents' team able to score.

Today the Adams boys journey to Ferndale to meet the Lincoln team on their own field. Coach E. S. Wiseman is confident of a victory this time, he says.

The National team of the Adams Junior High School is favored today to win the championship in the Birmingham Junior High School soccer league, according to E. S. Wiseman, head of the league. Standings to date show the Nationals leaders, with all games won. Results are as follows:

Team	W	L	Pct.
Nationals	7	0	1.000
Americans	6	5	.546
Liberty	5	5	.500

'27 GRADUATES PRESENT GLOBE

The class of 1927 of the Baldwin High School has presented the High School library with a globe. The gift was made by Miss Emily Walker, instructor in mathematics at the Baldwin High School, who formerly acted as advisor to the group. It was formally accepted by the board of education in a letter of appreciation to the class.

3-THREAT LINEMAN

Suspicious of its name, which he considered un-American, Supreme Justice Benedict of New York refused incorporation to the Warchildsproprowler Society.

KNOW YOUR TEACHER

Iris A. Abbey, A. B., Latin and Mathematics, Baldwin High School.

Born: Carbondale, Penn. Miss Abbey received her grammar and high school education in the public schools of Carbondale, Pa. She has had considerable teaching experience before coming here, having taught in Kentucky, Indiana, Illinois and Boyne City, Mich. She has been here nearly a year, coming last February.

Her home is at 107 Townsend street.

Ethel J. Hughes, B. S., Commercial, Baldwin High School.

Born: Imlay City, Mich. Miss Hughes' grade and high school education was received at Imlay City, going from there to Michigan State Normal College, Ypsilanti, for her college training. She worked in the Normal College, department of college extension, four years, before coming here. This is her first year in Birmingham.

Her Birmingham home is at 502 Henrietta street.

BALDWIN HIGH DEBATES SET FOR MEET WITH FORDSON

The Birmingham High School debating season opens Friday evening, Nov. 16, the local orators having their first verbal clash with Fordson High School. The locals will take the negative side on the question, "Resolved, that a Federal Subsidy for An American Merchant Marine Would be a Wise National Policy." In practice debates with Detroit North-western and Roseville High Schools the team, composed of Patricia Chandler, Norma Martin, and Richard Fleming, proved its ability well. Coach H. Earle Corvont is confident of a successful season.

On this same date 244 high schools in every part of the state will meet in 122 debates, in which 732 high school pupils will participate.

This debate followed by three others on Dec. 7, Jan. 11, and Jan. 25, will constitute the four debates of the preliminary series in which every high school must participate in order to qualify for the elimination series of debates.

Every high school that qualifies for the elimination series of debates will be presented with the University of Michigan Wall Plaque Trophy, upon which is superimposed a nine-inch solid bronze medallion with embossed lettering.

Only 64 high schools can qualify for the elimination series which will culminate in the eleventh annual state championship debate to be held at Ann Arbor in Hill auditorium on Friday, April 26.

The two schools participating in this final debate will each receive a trophy cup presented by the University of Michigan extension division, and each of the six debaters will receive a gold watch as a testimonial of individual merit.

NEW 'HEALTH GLASS' PROPOSED FOR WINDOWS OF SCHOOL ROOMS

Enlarging glass may replace the ordinary glass in a Birmingham public school room.

This is a health experiment which Clarence Vliet, superintendent of schools, presented to the board of education for their investigation at the meeting in the Baldwin High School Monday night.

No definite action was taken. Members of the board are studying the experiment in other schools, however.

The enlarging glass is a quartz composition, Mr. Vliet explained, and is attributed with health endowing qualities. He suggested that the experiment be conducted in a rational manner.

Two similar classrooms with similar exposures and in the same building be selected. One of these would be fitted up with enlarging windows, while the other would be left with ordinary glass. Health examinations would be taken of the pupils in both rooms and the results compared.

Similar experiments in England show that children in a room fitted with enlarging glass gained an average of three pounds more than those in the other room, and that in the first room there was one third less sickness than in the second, Mr. Vliet told the board.

Enlarging glass is being used in hospitals in convalescent rooms and highly favorable results have been reported, he said. "Some schools which have been experimenting with the glass room reduction in absences caused by illness," he pointed out.

The annual meeting of the Oakland County Schoolmen's club was held in the high school at Berkley Monday evening. Following a luncheon served at 6:30, Miss Helen Harvey of the Detroit Institute of Arts spoke on "The Service the Institute of Arts May Render Schools." This in turn was followed by a report on the committee on athletics and the election of officers for the club. Music for the evening was furnished by Berkley men.

NEW TEACHER NAMED AT PIERCE SCHOOL

Miss Maxine Mosher, of Berkley, has been elected by the board of education to fill the vacancy at grade three in the Pierce School made by the resignation of Miss Phyllis R. Ladd.

Miss Ladd has been a teacher in Birmingham since September. She gave illness as her reason for resigning.

Miss Mosher is a graduate of the Mt. Pleasant Normal School. She will commence her duties here Dec. 3.

The Seminole Avenue, Indian Village, Women's Club, met last week at Cranbrook for a tea and musicale.

Saturday night Cranbrook students witnessed the regular Saturday evening moving picture.

Mrs. Julius L. Parke, pianist, assisted by her son and daughter at cello and violin, entertained the Cranbrook students in the school auditorium with a musical program Friday night. This is the first of several musical programs for the fall and winter.

STROPPING IS ESSENTIAL TO THE PERFECT SHAVE

are all Barbers CRAZY?

Is stropping a playful gesture to amuse you?

Or has the new Valet AutoStrop Razor proved that there is a fundamental reason for stropping?

YES, all barbers are insane... so are other millions of men... if stropping a blade to sharpen it is useless.

But you know that every barber throughout the entire world knows that he must strop before he shaves. An unstropped edge is like a row of needles. It pulls and tears the skin.

There is one razor and only one which automatically insures a stropped blade for every shave—the Valet AutoStrop Razor.

The Million Dollar Model is the result of 21 years

of research and the expenditure of a million dollars in experiments. Everywhere men are adopting it because of its new-day improvements.

Perfectly balanced and self-adjusting, its friendly angle fits the face and cuts through the stiffest beard with smooth precision. With the Valette-processed blade it is a marvel of shaving ease.

Blades are inserted or removed simply by pressing a button. Blades are locked in firm, non-flexible grip that eliminates vibration and pull. New type guard lets you use the full shaving edge. And—fundamentally important—the exclusive self-stropping feature keeps the blade edge super-sharp. No need to remove blade to strop or clean it.

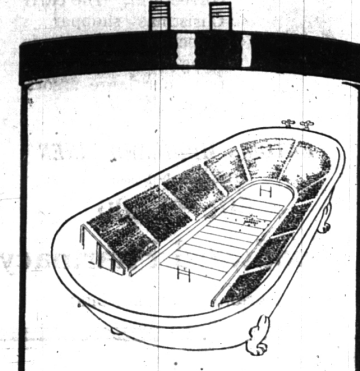

Weigh these facts. You know barbers haven't been wrong for 2,000 years in stropping. Why experiment with your face?

Give a Valet AutoStrop Razor a fair trial. You'll quickly learn to like it—then you'll never go back to an unstropped blade.

New million dollar VALET AutoStrop RAZOR

Beautifully finished models complete with blades and an improved strop in handsome cases at \$1.00 to \$25.00.

After the Game

Biting November winds sweep over the stadium—cramped, chilled spectators stumble to their feet as the final whistle ends the game.

Now home to a warm bath to soak the chill out of numbed bodies. Athletes and spectators know the pleasure and comfortable relaxation that hot water brings. Every day in the year you, too, can enjoy the health, help and comfort of running hot water by installing our special water heater.

\$5 down

We developed this thermos bottle type heater to give you continuous hot water at low cost. It's cheaper and more convenient than a furnace coil.

GET IT ON FREE TRIAL

We will connect this new type heater on Free Trial. Just ask us for this trial offer—see why thousands are pleased. Then, too, we will buy your wasteful furnace coil, giving you a liberal allowance on the purchase of a heater. The cash price is now only \$75—ask us about our easy payment plan. Enjoy this modern convenience while paying.
