## Visit Our New Packard Salesroom

NOW we're in our new building at 670 Woodward Avenue, and we want you to visit us some time between the 10th of this week and Saturday of next, and look over the improved Packards we have on display.

You'll find the new location mighty convenient.

Our new shop is modern to the minute and arranged to give regular service to regular fellows --- the ones who now drive Packards or who will drive them before many moons have come and gone.
