SENIOR REQUEST IS TURNED DOWN

A request for permission to hold a carnival, Oct. 27, in the Baldwin High School auditorium which was presented to the board of education Monday evening by George F. Johnson, representing the 1929 Senior Washington Group, was denied by members of the board.

The fact that the Washington group proposed to have public dancing in the high school auditorium was given as the reason for denial. In speaking of the refusal, Clarence Vliet, superintendent of schools, said, "The board of education has always before refused permission for unrestricted dancing in the Baldwin auditorium and they feel that it would be unwise to break this precedent."

The carnival was to feature booths for fortune telling, slide shows, fishponds, candy sales and act dancing, a fee being charged for each dance.
