

# Baldwinites Clinch Straight Victory On Gridiron

## LACK OF SUBSTITUTES SHOWN IN GAME

### BIRMINGHAM TEAM OUTPLAYS POINTERS IN EVERY PHASE OF TILT

By GEORGE G. WILLIAMS

Right on the goal post, missing by inches. A spirited retaliation was made by Trombley, the Blue team's quarterback and most versatile performer. When Root kicked off Trombley received the ball on his 15 yard line. From then on his grit said "touchdown" and, making use of good interference, he raced 85 yards to the goal line.

**Core Falls**

Donald Gore was the one potential tackler who could not be shaken. However after 60 yards of running a clean block by Krapp erased his chances of making the run. Krapp's placekick failed. Birmingham again kicked off and after Grose Pointers failed on a pass Wasey recovered a fumble on the visitor's 27 yard line. Plainly vexed by the tying of the score so early in the battle, Captain Cox proceeded to use his 187 pounds to add more points.

Good interference got him started on an end run and then he sailed along with little respect for tacklers. A straight arm squashed the last offender to the ground and he sprinted 63 yards for the touchdown. Root captulated the ball for the point from a placekick. Gore was next in line for a customary Root kicked off. The home team failed to make yards and to their credit Gore yard-line. F. Doherty, whose play until he gave way to a substitute, circled the wing for 28 yards. Gore zipped through the line and Gore zipped through for the remaining 15 yards. The score at the end of the first quarter was 19-6.

Floyd Doherty, bridged the last gap after a series of five first downs when Birmingham marched down the field in the second quarter. Featuring in this little parade a ball carrier behind an able line were H. Schwarze, Gore, Cox and Doherty. Considerable of the advance was made through the line which opened large holes on every play. Following the scoring, Root applied his toe to the oval and added an extra point to his final tally of the registering of points for the Maroon. The half score was 26-6. Birmingham was slightly outplayed in the second half. Grose Pointers made five first downs and Birmingham succeeded with four. Birmingham was somewhat off its feet throughout the last half before the lake shore crew's determined comeback. The varsity men who returned to the game in the last quarter did no better than the substitutes who played in their first period. Grose Pointers carried the attack to Birmingham and the latter did not get started on its feet until after the game.

A feature of the Grose Pointers was their forward passing. Trombley threw all of the passes, and to places where his teammates could receive them. Seven of 12 attempts made during the game were successful for the home team. Passing netted them 53 yards. Birmingham tried the aerial four times with no success.

In the final quarter Grose Pointers was plugging away for all it was worth. Previous to their touchdown at this time they made three first downs in a row. Passes received by Hannan, halfback, and Krapp, left wing, with plunges by Hannan and Trombley stood out. The little skirmish led by the Blue was thwarted by the opponents on the Birmingham 10 yard line. After Cox had gained eight yards, H. Schwarze's punt was poked by Sayward, left guard, and Denne, right tackle, fell on its behind goal line for Grose Pointers' second marker. The placekick by Krapp failed. Birmingham was again getting into form when the game ended. Cox made 15 and 7 yards on an end run and line rush as the gun sounded. The score was 26-12.

**Villagers Better**

Statistically speaking, Birmingham was well out in front in most departments. Birmingham gained 165 yards by circling the line, 151 through it and nothing by passing. By penalties 30 yards were lost and by scrimmage, six. The total yards gained were 316. Birmingham punted four times. Grose Pointers gained 55 yards by passing, 24 around the ends, and 36 through the forward wall, making

### CRIPPLED TEAM FACES BERKLEY 11 TOMORROW

Prospects are none too bright for the Maroon and White in another Berkley in the encounter at Pierce field at 3 p. m. tomorrow.

"A victory of any kind will be a feat," Coach George Johnson said. "The Baldwin skipper bases this gloomy prophecy on the fact that five variety players will probably be kept out of the game because of injuries and illness. Coach Johnson points out that three players in the back and two in the forward wall probably will not be in condition to scrap tomorrow.

Included in those recovering from ills are Captain Roderick Cox who has a boil on his nose, George Wasey who suffers two broken ribs, David Doherty with an injured foot, Hennan, and Schwarze recovering from a cold and Donald Gore bearing a strained knee.

As customary, Root kicked off. The home team failed to make yards and to their credit Gore yard-line. F. Doherty, whose play until he gave way to a substitute, circled the wing for 28 yards. Gore zipped through the line and Gore zipped through for the remaining 15 yards. The score at the end of the first quarter was 19-6.

a total of 114. Penalties of five yards were suffered and 13 yards were lost from the line of scrimmage. A considerable addition to the punting was evident in the running back of punts and kicks off. The home eleven ran the oval in this matter for more than 130 yards. They punted five times. The punting was quite evenly matched in this matter for more than 130 yards. They punted five times. The punting was quite evenly matched in this matter for more than 130 yards. They punted five times.

In first downs Birmingham was far superior, scoring 17 to Grose Pointers' 6.

This fray which did not appear very difficult for the Maroon and White sends the Baldwinites one step further up the ladder. It was the first S. E. A. game and the first victory of the season. So far, Holly has gone down before Coach Johnson's men, 54-13, and Pontiac, 13-6.

The primary offense and defense of the team seems quite able to carry its burden. The combination of R. Schwarze, Mix, D. Doherty, Root, Wasey or Morgan, Wasey or Berger presents a light but sturdy group which are able to plough what has been called by the "best backfield Birmingham ever possessed." The line averages approximately 154 pounds and an average of 155.

**Score by quarters:**  
Birmingham ----- 19 7 0 6—26  
Grose Pointers ----- 6 0 0 6—12

**Lineup:**  
Birmingham  
R. Schwarze L. E. Strahler  
Mix L. T. Strahler  
D. Wasey L. G. Sayward  
Root G. Zimmerman  
R. G. Douglas  
Kurtz R. E. F. Denne  
Berger R. E. Nicholson  
H. Schwarze Q. Trombley  
F. Doherty L. H. Gladden (C)  
Gore R. H. Hannan  
Cox (C)

**Substitutions:** Birmingham—Rainey for R. Schwarze, Morgan for Wasey, Ellerby for Berger, Brien for Cox, R. Schwarze for Rainey, Pote for D. Doherty, Wasey for Berger, Ellerby for Pote, Porteous for F. Doherty, F. Doherty for Porteous, Cox for Brien.

**Grose Pointers—Critchfield for Strahler, Kimbrough for Sayward, Zimmerman for Strahler, Clark for Douglas, Labadie for Gladden, Borroughs for Hannan, Morhoff for Finger, Morrison for Morhoff, Strahler for Critchfield, Hannan for Borroughs.**

### Briefly Told

Senior Washington group candy sales, which started last week, are proving successful, according to George E. Johnson, an advisor of the group. In the meeting held last week three groups were selected with Patricia Chandler, Lucille Hoffman, and Thomas Ellerby, as chairman. Definite projects which include the candy collection at the Open Hunt to be held Oct. 20 at Bloomfield Riding and Hunt club, and the carnival, Oct. 26 were assigned to the groups.

A museum of different objects of interest to students has been begun in the Adams Junior High School library, according to Miss George E. Johnson, an advisor of the present only the museum will be held in the library. Already three interesting objects have been contributed. One is a portion of elephant hide from an animal shot in India. A copy of the map of Tortulstone from "Quintus" done in lump sugar is the work of Lenore Wermuth. ### FRESH PARTY FRIDAY NIGHT

Students, Faculty, Parents To Be Present At Dance

The annual freshman reception, the big event in the freshman and junior high student's year, will be held in the Baldwin High School gymnasium tomorrow night.

In the form of a masquerade, the best and funniest costumes will receive suitable prizes.

Members of the board of education, their wives, and parents of Freshman students will serve as chaperones. The parent chaperones have been invited by Principals Melvin C. Hart and Francis M. Cooke, of the Adams and Baldwin schools, respectively.

Following the practice of the past three years, only seventh, eighth, and ninth grade students of both schools will be eligible to attend.

### SUBSTITUTE TEACHER IN GIRLS' LEAGUE

Owing to the illness of Miss Helen McIntyre, girls' athletics supervisor, Mrs. Ora Harris Richards has been substituting in her place and Avis Gravin, a former student, acting as manager.

The girls' soccer game Monday was forfeited by the 10A class to the 11A's. Last Thursday, the 10B girls defeated the 11B team.

The girls' soccer schedule for the remainder of this month follows:

Thursday, Oct. 4.—11B vs. 12B  
Monday, Oct. 8.—11A vs. 10B  
Thursday, Oct. 11.—10B vs. 11B  
Monday, Oct. 15.—10A vs. 11B  
Monday, Oct. 22.—10A vs. 12B  
Thursday, Oct. 25.—11A vs. 11B  
Monday, Oct. 29.—12B vs. 11A  
Thursday, Nov. 1.—10B vs. 10A

### H. S. ASSEMBLIES ARE ANNOUNCED

Schedule for assembly programs at Baldwin High School for the coming year has been announced by Melvin C. Hart, principal.

The assemblies will be held in the auditorium at 3 p. m. in place of 8th period classes, Mr. Hart announced.

The schedule is as follows:

Date	Pupils	In charge of
Oct. 12	Junior High	Grade 9
Oct. 26	Senior High	Grade 12
Nov. 9	Junior High	Grade 8
Nov. 23	Senior High	Grade 11
Dec. 7	Junior High	Grade 7
Dec. 21	All (Christmas program)	Brumsted
Jan. 11	Senior High	Grade 10
Jan. 11	Second Semester	
Jan. 11	Junior High	Grade 9
Feb. 8	Senior High	Grade 12
Mar. 8	Junior High	Grade 8
Mar. 22	Senior High	Grade 11
April 26	Junior High	Grade 7
May 17	Senior High	Grade 10
June 7	All	Mr. Hart

**Other Important Dates:**  
Oct. 27—Washington Group Carnival  
Jan. 17—Minstrel Show or other Program  
Feb. 10—Senior Play  
Mar. 14—Junior Union  
April 4—Operaetta  
May 10—Exhibit.

### TEACHERS ENJOY ANNUAL FROLIC

The 1928 annual teachers' banquet was held in the Baldwin High School cafeteria last Thursday night according to Principal Melvin C. Hart, proved a success.

One hundred and forty persons attended, including teachers, members of the board of education and their wives, and wives or husbands of teachers.

A three-course dinner was given wishing to join.

After the program the guests dined in the auditorium.

The Girl Reserves are holding a series of open meetings at the Community House on Wednesday of every second week for the new girls wishing to join.

# Milk --- The Builder

**ONE QUART OF MILK IN ENERGY FOOD VALUE EQUALS ANY OF THESE**

- 1/2 LB. CHICKEN
- 2 LBS. POTATOS
- 1/4 LB. LLOBSTER
- 8 EGGS
- 9% ORANGES
- 1/2 LB. BEEFSTEAK

Each of these foods has its own value. The comparison is only for "energy value"—the property which gives the body strength and power to carry on its activities.

FROM the moment baby's eyes open upon a strange world his demand is for food—food that will build a sturdy body and help him grow. Nature provides milk for his needs. In Milk are found in right proportion all the many kinds of food required in the business of body-building. Throughout babyhood and youth the elements contained in milk are essential to sound growth.

As a general rule, milk should not be regarded as a beverage to be taken when thirsty, like water. It is a food and should be sipped (eaten) slowly. In milk are found a greater number of the materials required by the body than in any other food.

Milk contains minerals from which the bones and teeth are made, elements which produce

strong muscles—as well as vitamins to assist growth and to ward off disease. There is no part of the body which it does not nourish.

The boys and girls who have milk regularly all through childhood have a better foundation of health—more rugged bodies to carry them through life—than those who have little or no milk. They will have more reserve strength with which to fight illness. A quart of milk a day, in some form, should be the rule for every child all through the growing period. A few children have a real or imagined aversion to milk. But even with them, the doctor may find that they can take it and enjoy it if served as cocoa or in soups, sauces, custards, puddings, or frozen desserts.

Encourage your boys and girls to appreciate milk. Make them understand that for most people it is the finest all-around food in the world. Tell them what it will do for their bodies, their pastimes. Teach them the game of body-building. Protein "bricks" for strong muscles; lime "bricks" for bones and teeth; milk sugar "bricks" and fat "bricks" for energy and warmth. All these and other building materials in milk.

Not only is milk a builder—it is a repairer, as well. That is why it is important that adults also should have a regular supply—not so much as children—but a glass or two a day or the equivalent amount served with other foods. Milk is a great help to men and women who want to keep strong, vigorous and youthful. But remember that milk has so much food value that when added to the diet a smaller quantity of other foods may be sufficient.

To take milk regularly is the surest and easiest way of making certain that you give your body the variety of food materials it needs to keep you in good physical condition.

Give milk to the children and—take it yourself.

## Why Pontiac Dairy Milk?

Above is a copy of an advertisement which has been published in mediums of general circulation FOR THE BENEFIT OF THE NATION.

In this connection the Metropolitan Life Insurance Company wishes to emphasize the importance of getting CLEAN MILK and keeping it clean after it reaches the home.

Because of being perfectly pasteurized, Pontiac Dairy Milk is not only clean and free from harmful germs, but will positively keep pure and sweet longer than milk not so well safeguarded against contamination.

Please speak to our delivery salesman for daily service, or telephone your order.
