On Woodward at Forest. Henry S. Evans, Minister. Bible School, 10 a. m. We need every member present every Sunday.

Morning Worship, 11:15 a. m. This service lasts one hour. The pastor will preach on a subject which is of vital importance to our every day religious lives. You are always assured a welcome to the services in this church. Now that the vacation season is over, it is hoped that the people in Birmingham will make it a custom, from now on, to go to church somewhere, every Sunday. Very few people would want to live in this village if there were no churches here. What are you doing to help our churches to continue their work and extend their influence?

If you are doing nothing, then you are riding free on another man's charity. Find yourself a church home, put your shoulder to the wheel, and help boost Birmingham by strengthening the churches.

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For he had healed many; insomuch that they pressed upon him for to touch him, as many as had plagues, And unclean spirits, when they saw him, fell down before him, and cried saying, Thou art the Son of God." (Mark 3:10-11).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Our Master treated error through Mind. He never enjoined obedience to the laws of nature, if by these are meant laws of matter, nor did he use drugs. There is a law of God applicable to healing, and it is a spiritual law instead of material" (p. 463).
