## STATE'S LONG DUE IN RECOUNT

Wilson Objects To Nature  
Of Petitions  
Filed

Ruling from the state's attorney  
 is awaited today on objections  
 taken by Albert W. Wilson, suc-  
 cessful nominee on the Republi-  
 can ticket for the county treasur-  
 er, office to petitions of Floyd H.  
 Loease, for a recount. Loease was de-  
 feated by Wilson for the nomination  
 in the Primaries Sept. 4.  
 Through his counsel, Wilson  
 claims the recount is not accord-  
 ing to form because notice of it  
 was not served on Will B. Narnin,  
 another unsuccessful candidate.  
 He also says no specific instances  
 of mistakes in any of the precincts  
 are mentioned in the petition, but  
 merely a blanket objection.

Counsel for Loease says that the  
 petition is drawn in accordance  
 with the state law and that no  
 fraud is alleged, therefore it is  
 not necessary to site specific in-  
 stances.

Carl H. Pelton is attorney for  
 Loease while Wilson is represented  
 by George A. Dondore and A.  
 L. Moore.

Some of the sworn statements  
 for election campaign expenses  
 filed in the county clerk's office  
 follow:

John A. Adams, Republican  
 candidate for road commissioner,  
 spent \$681.82; William A. Wheel-  
 er, Republican candidate for sher-  
 iff, spent \$1,466.66; J. Lee Voor-  
 hees, Republican candidate for  
 coroner, stated his campaign ex-  
 penses totalled \$422.96; Clarence  
 L. Smith, Republican candidate  
 for prosecutor, spent \$638.18;  
 Harry J. Merritt, candidate for cir-  
 cuit court commissioner on the  
 Republican ticket, announced his  
 campaign expense was \$947.70;  
 Andrew H. Wood, Socialist candi-  
 date for treasurer, spent nothing.

The Frank Schram for Sheriff  
 clerk announced its receipts were  
 \$221 and its disbursements were  
 \$185.18.

## GAFFILL SPEAKS TO LIONS CLUB

John J. Gaffill, of Birmingham,  
 an attorney, addressed members  
 of the Lions club yesterday noon  
 at their luncheon meeting at the  
 Chateau room. His speech com-  
 memorated the 144th anniver-  
 sary of the signing of the Decla-  
 ration of the United States.  
 A resume of the early history  
 of the United States in developing  
 a government following the dis-  
 carding of the Articles of the Con-  
 federation was given by Mr. Gaffill.  
 He told of the forming of the con-  
 stitution by the country's earliest  
 leaders and described the basic  
 fundamentals. The constitution's  
 stability in outlasting any form  
 of government employed in any  
 other nation was pointed out by  
 Mr. Gaffill, in confirming its value.  
 The recent addition of the initi-  
 ative referendum and recall system  
 to the constitution in the election  
 of state and federal representa-  
 tives is seen by Mr. Gaffill as har-  
 arduous. He pointed out that the  
 people as a whole are somewhat  
 careless of situations which might  
 necessitate recalling public offi-  
 cials or expending of public funds.  
 On the other hand, he said, the  
 representatives themselves, im-  
 pressed by their duties, are more  
 careful of placing burdens of tax-  
 ation on the citizens.  
 In conclusion Mr. Gaffill urged  
 that every man should participate  
 in his share of controlling the gov-  
 ernment, that is, use his voting  
 right.

## Win or No Win?

Last survivor in the 15-mile  
 Wright swim at Toronto, Canada,  
 but forced to leave the water be-  
 cause of the chill of late evening,  
 the status of Georges Michel,

 spectators as to whether or not  
 he would be credited with win-  
 ning.

## First Picture of Ruins After Tropical Storm

 to rural communities, driving 2,000,000 inhabitants from their  
 wrecked homes.

## TWO MEN HURT IN SPAN FALL

Beam From New Wood-  
 ward Bridge  
 Crashes

Two men are recovering today  
 from injuries received when a  
 beam fell from the bridge on  
 north Woodward avenue Sunday  
 as they were working on construc-  
 tion of the new span.  
 They are Joseph Burke, 29  
 years old, and G. I. West, 35  
 years old, both of 406 Forest ave-  
 nue.  
 Burke was taken to the St.  
 Joseph Mercy Hospital, Pontiac,  
 where it was discovered he had  
 sustained severe injuries about the  
 legs. West was able to be taken  
 to his home after receiving first  
 aid treatment.

## WORK STARTS ON NEW DRAIN

Work on the county drain,  
 Bloomfield No. 1, is progressing  
 today. Construction started on  
 day on the project which will serve  
 1500 acres in Bloomfield Town-  
 ship. Contract for the work is held  
 by S. F. Fattore, Detroit, and it  
 is being built at an approximate  
 cost of \$250,000.  
 According to a report from N.  
 W. Straite, chief county drainage  
 engineer this is probably the last  
 of the several drainage projects  
 which will be started this year.  
 Contracts for more draining work  
 has been issued this year than ever  
 before, he said. The \$2,750,000  
 project to be known as Southfield  
 drain No. 1 will be continued  
 through the winter. Other drain-  
 ing work will be started next  
 spring it is planned.

## NIGHT SCHOOL GROUP TO MEET TUESDAY

Night school plans will be made  
 Tuesday night at the Baldwin  
 High School. Superintendent  
 Clarence Vliet requests that all  
 those interested in public evening  
 classes be present in the library of  
 the high school at 8 p. m. so it  
 may be determined how many will  
 enroll and what classes are need-  
 ed. The courses will depend  
 largely on what is decided at this  
 meeting. It is believed. Classes  
 will probably start the second  
 week in October depending on the  
 results of Tuesday's meeting, Mr.  
 Vliet said.
