Colors

that leading artists have selected. . . .

For years Devco has made the colors which leading artists have used in their work.

They have imported rare pigments—from China, from France, from the Ivory Coast of Africa. Colors which live today in countless famous paintings—colors so lovely that they are worth going to the far ends of the earth to obtain.

Now, into this remarkable new Devco Mirrolac Enamel these very shades and tones have been introduced! Come in for a color card.
