RESOLUTION LAUDS NATIVE

Church Society Reveres Memory Of Miss Susan Trowbridge

The following resolution and comment from the Women's Missionary Society of the First Presbyterian Church is passed today lauding the late Miss Susan Trowbridge, one of Birmingham's pioneers:

The Women's Missionary Society of the Presbyterian Church desire to place on record their love and appreciation of the life and work of Miss Susan Trowbridge, who was called to her heavenly home March 21, 1929.

Miss Trowbridge had been a faithful and efficient member of our society for many years. She was deeply interested in all missionary enterprises, and her presence at our meetings, when able to attend, was a stimulus to greater effort for the advancement of Christ's kingdom. Her influence for good will live for many years in the hearts of those who knew her, and in uplifted lives, which have been touched by her's.

We therefore resolve that—

Whereas, It has pleased God in His wisdom to remove our friend and faithful member, we bow in submission to His will, knowing that He doeth all things wisely and well;

Resolved, That we also strive to live up to the high standards of Christian life that she did, and thus enjoy the fruits of those promises of God which were so sure a reality to her; and

Resolved, That a copy of these resolutions be entered on the records of this Society, and a copy sent to the local press.

"We know thou art gone to the home of thy rest—
Then why should our souls be so sad?
We know thou art gone where the weary are blest,
And the mourner looks up, and is glad;
We know thou hast drank of the depths that flows
In a land where they do not forget,
That sheds over memory only repose,
And takes from it only regret."
