See us about that needed bathroom

It might as well be admitted-most houses need more bathrooms. But most home owners don't know costs or space requirements; so they can't decide whether that needed extra bathroom is really a possibility or not.

Why not let us do the measuring and figur-ing? We'll put the whole plan down in black and white for you to pass on—and not charge you for estimating, either. If you want the best work, finest fixtures (we sell the famous Kohler Ware), and fair and square prices, see us.
