THE DIXIE DINER.... a good place to eat!

The Dixie Diner . . . a good place to eat! Busy people, especially, favor it because of the courteous promptness which marks the service. The food is all home cooked, there is good coffee . . and we've found that our Toasted Sandwiches are a big favorite! Open all the time!

DOBBS HATS

Ourlancestors took months to accomplish'a journey by ox-team which the airplane covers in a few hours. The advance in the art of hat making has kept pace with the strides of transportation. It would be interesting to compare a Dobbs hat with the headwear of those old times.

New fixtures for modern bathrooms

The Cramford Tanndry Co. 707 East Jefferson Avenue - Detroit

It's not only color that is making bathrooms more beautiful. Don't forget the fixtures themselves—the new and attractive designs that are being created.

For example—this paneled Mayfair tub and Fairfax lavatory by Kohler of Kohler. In color or white, with gold or chromium plated fittings, these are the handsomest fixtures we have ever seen.

Ask us about Kohler Ware, for bathrooms—new or old, simple or expensive. We're always glad to estimate.
