FIRST ALL METAL DIRIGIBLE GOES THROUGH PACES

Under the guidance of William E. Kepner, crack naval pilot of lighter than air craft, the ZMC-2, the navy's first all-metal dirigible, soared over Detroit on its malden voyage from Grosse lie. Above, the dirigible and Kepner.

long summer vacation it's school again, and accompanying the classroom work there are the scintillating football crowds, the parties, and the leisure moments with classmate friends. During these leisure moments The Wabeek Pharmacy welcomes you. The complete line of school supplies . . . the lunches . . . the chocolate sodas (each one a masterpiece) and the malted milks make this store popular.
