College Fraternity Discards Convention For Sake Of Comfort

JOHN D. SCOTT

By ROY J. GIBBONS

Central Press Staff Writer Chicago.—Clothes don't make the man, and just to prove beyond doubt, 700 members of the local alumni chapter of Delta Upsilon, college fraternity, will launch a national campaign in favor of male undress.

Their war cry is, "down with the tyranny of tailors," and their purpose the disregard of convention in the interest of comfort.

"Pipe the B's knees"—meaning boss—may soon mean exactly that, when the boss, if he's a D. U., strolls in any morning now, loosely clad in his suit of B. V. D.'s.

Tropical Ideas

"In the interests of health, simplified clothing is vitally necessary," declared John D. Scott, national president of Delta Upsilon, and an enthusiastic backer of the cause for less and simpler sartorial play.

May Head G. A. R.

Colorado veterans have endorsed James E. Jewell, of Fort Morgan, for the post of command-in-chief of the Grand Army of the Republic. His name will be presented at the national convention in Portland, Ore. in September.

Discovered—the Fountain of Youth

At last science has discovered the fountain of youth—the fountain for which the old Spaniards searched in vain. It is hot water that gently carries away the discomforts, worries and troubles of the day and renews the sparkle of youth in eyes and skin.

A Tip To Tourists

check your battery before making away

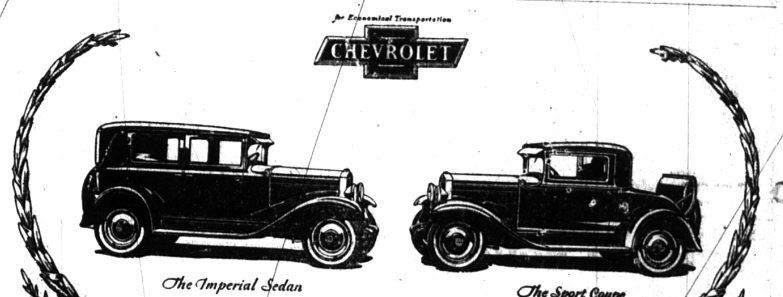

To any one leaving on summer trips of any length we urge a careful inspection of the battery.

"A stitch in time saves nine," is just the thought in connection with batteries— for once they start going bad it means trouble ahead.
