

THEATERS

KUNSKY-BIRMINGHAM THEATRE

When Metro-Goldwyn-Mayer brought Stan Laurel and Oliver Hardy into 'The Hollywood Revue,' their huge musical extravaganza at the Birmingham Theatre...

New Year's Day and Thursday Moran and Mack, the Two Black Crows, will make their debut to Birmingham...

Besides giving the audience a chance to find out just which is Moran and who is Mack, who by the way are called by their right names in the picture, they present a delightful bit of entertainment...

not, the picture has a consistent plot, which is so often lacking in the picture of this class...

As an added feature to the regular novelty short subjects...

Friday and Saturday A thrilling and refreshing drama of youth and love...

Sunday and Monday Uncanny! Journeys into the spirit world; a strange murder mystery in a modern home...

Directed by Tod Browning, known for his direction of 'Where East is East,' 'The Unholy Three,' 'Road to Mandalay,' and other mystery thrillers...

Directed by Conrad Nagel, Leila Mason, Holmes Herbert, Mary Forbes, Helene Millard, Charles Quattermaine, John Davidson...

Moon Carroll, Cyril Chadwick, Frank Leigh, Bertram Johns, Gretchen Holland, Clarence Geldert and Lal Chand Mehra, Hindu lecturer.

Tuesday and Wednesday 'The Fleet's In'... Bow's biggest all-talking picture...

The more mature members of the cast include Charles 'The Duke' Fox, Edna Mae Oliver, noted character comedienne of the stage...

'The Saturday Night Kid' comes for a 2-day showing beginning on Tuesday next.

'A Night in Venice'... Shubert-Detroit's newest musical offering...

It has plenty of comedy and is dispensed by young talent. It is novel comedy...

Ted Healy is 'the works.' Healy has a gang that, for looks, is cuter than the bunch Joe has around him...

The outstanding scenes from the picture are 'Fellen's Rites,' with a huge gold plate against the eye...

THE CHILDHOOD OF JESUS

WE start the new year with a lesson appropriate to Christmas dealing with the childhood of the Saviour-King...

Our calendar reckons the years ostensibly from the birth of Christ, so that if we had known the exact day of the exact year in which Jesus was born...

This lack of outward exactitude only goes to emphasize the importance of the spiritual and essential aspects of the Christmas story...

What were these things? First of all, his birth. There are those who have challenged the historicity of the story of Jesus...

He is Immanuel, or Saviour, with power to reform and liberate. He is the supreme friend and companion of all who would tread the heavenly way...
