Announcing the New
1929 DIRECTORY
and
BLUE BOOK
of
**Birmingham and
Bloomfield Hills**

On March 1st, the new 1929 Directory and Blue Book of Birmingham and Bloomfield Hills will be off the press. After many months of compilation, this bigger and better publication will be ready for Birmingham and Bloomfield Hills residents.

When you see it and read it you will quickly note the many improvements over all former issues. And you will find that it will have daily use in your home, for it contains information and facts that no other publication offers. Imagine! It will even tell you where in Birmingham you can buy Holeproof hosiery, Packard automobiles or any other nationally known brand of merchandise!

But wait until you see it. Then you will know why we are so anxious that you have it in your home!
