LINDBERGH SMILES ON MAIL TRIP

photos of Col. Charles A. Lindbergh, taken at Belize, Brit-These photos of Col. Charles A. Lindbergh, taken at Belize, Bit-ish Hondung, where he delivered the first airmail letters to arrive in Central América, show him in a happy mood, which perhaps, is explained by the fact that his engagement to Miss Anne Morrow, daughter of the U. S. Ambasador to Mexico and Mr. Dwight Morrow, was announced just a short time later. Above, note his youthful look as he shakes hands with American Consul Taggart. At right he is with Lady Burdon and Col. Oran, head of the reception committee, prior, to taking them for a flight. Below, the Sikorsky amphibian in which he made the trip.

THE CHALLENGER Twice now..in 30 days..production has had to be increased

Essex the Challenger sweeps aside the barriers of price class. It challenges the performance, the style, the luxurious roomy comfort of any car at any price, on the basis that no other car gives you back so much for every dollar you put in.

A glance at its 76 advanced features reveals at once why Essex excepts no car in its challenge. For point after point in fine car construction, performance and detail, brings you directly to costliest cars to find

With above 70 miles an hour top speed, Essex the Challenger, in thousands of demonstrations, is proving the endurance and ability to do 60 miles an hour all day long. It is the finest, largest, roomiest, most brilliantly performing Essex ever built, and the price the lowest for which Essex ever sold—but little above the lowest priced car on the market.

That is why the acceptance of Essex the Challenger is the talk of motordom. Join the van of 1,000,000 Super-Six owners who are demonstrating its right and ability to challenge the best that motordom offers
