WE HEARD IT SAID BY—

Robert Y. Moore, Bloomfield Township, and especially Birmingham, the policy of inviting industry here. This week we received word to the effect that the Yellow Coach & Manufacturing company, in taxes; next year this check will not come to us, as the property involved has been annexed to Pontiac. Industry is the only thing that can assist in keeping our taxes down for the Birmingham area. Of course, I mean the kind of industry that is in keeping with this area, one of which may be airplane manufacturing.

STAR GAZING

Exclusive Central Press Dispatch
To The Eccentric
New York.—News bits gleaned behind the scenes:
Oliver Borden is to be starred by the newly formed R. K. O. show.
She joins two other fair ones, Betty Compton and Sally Blaine.
The divorced Vidor, King and Florence, both rushed to the bedside of their daughter, Suzanne, age 10, when she was injured.

Remember the Broadway revue tent of Lola and Leota Lane that made a big noise in the Greenwich Village Follies? Well, here's the team half which is making a great try for movie fame. She's Lola.
Edmund Goulding is known as Hollywood's rescue director. He's often called to complete pictures half finished by other directors. And Edmund makes good jobs of them. Richard Barthelmess says Dorothy Gish once told him: "Don't worry over your work. It's only a motion picture." Dixie Lee, an unknown chorus girl, it is believed in Movietone... She got her chance because she is pretty and can sing in the professional "voo-dee-do" vein. Rin-Tin-Tin has just entertained 200 New York orphan children with some of his movie tricks... The talented dog is an orphan, too... Rin was a motherless puppy discovered in a trench near Saint Mihiel, France... "Zeppelin," a Broadway melo, is to be made into one of those super-special things... You'll see Conway Tearle in it... Alberta Vaughn says Pacific Coast men look shabby compared to well-dressed New Yorkers... William Powell spends six weeks in Havana before returning to the coast to resume work... The team of Fay Wray and Gary Cooper is to be dissolved, according to whispers... Both actors are of the repressed, quiet type and there does not seem to be enough contrast between them... First hint of the parting of the two comes with the announcement that Esther Ralston will be opposite the huge Mr. Cooper in "Black Eagles."

VOCATIONAL INTERESTS OF HI
GIRLS COVER BROAD FIELD,
A. A. U. W. REPORT REVEALS

Vocation interests of Baldwin High School girls cover a wide range, records of the A. A. U. W. show.
During the past two weeks members of the association have been holding vocational conferences with girls relative to their future work.
"The A. A. U. W. has no desire to do vocational work," Mrs. Richard Fowler who is in charge of the project, said. "We are not trained vocationalists, but we do want to help the girls by acquainting them with the various professions."
Every field from the architectural to home economics claims the interest of the high school girls. The A. A. U. W. has arranged for one of their members trained in each field to interview all the girls interested.
The conference program is as follows: nursing group, Mrs. Joseph Stroup and Mrs. J. J. Roun, Jr.; journalism, Mrs. Lee A. White; library work, Mrs. Fred D. Farrar, and Mrs. Nancy B. Thomas; kindergarten, Mrs. Felton Wright and Mrs. Richard Fowler; elementary training, Mrs. Clifford H. Ramsey; high school teaching, Mrs. Arthur J. Halgren; art work, Mrs. Thomas Thurbur; Mrs. A. H. Otis, Mrs. Charles S. Kider; music, Mrs. Souhlaya Moushadden; home economics, Mrs. Melvin C. Hart; social service, Mrs. Bruce Millar; secretarial, Mrs. C. W. Loomis; physical education, Mrs. William Chamberlain; dramatics, Mrs. G. Dewey Kimball; architecture, Mrs. Fred Farrar.
Next Monday Mrs. F. H. Melinger will hold a general conference to discuss colleges with girls who are still undecided about their vocations.

HOT WATER
Gives Your Razor That Feather Touch

A sharp razor+hot water—a good shave. You can't get around it, hot water spells the difference between a clean, swift shave and an irritating scrape. It gives your razor that feather touch. What a pleasure to have sizzling hot water all ready for you in the morning; no lighting of heaters or heating of water on the stove. You, too, can start the day right with plenty of hot water. Install a special heater and forget all your hot water problems.

\$5 down

We developed this thermos bottle type heater to give you continuous hot water at low cost. It's cheaper and more convenient than a furnace coil.
