**Dependability and Brilliant Performance**

Transcontinental Air Transport, Inc. selects Stanolind Aviation Gasoline over its Eastern Division to insure the faithful operation of its new 48 hour plane-train schedule from New York to Los Angeles. Schedules must be maintained. In the air, as on land, gasoline of the Standard Oil Company (Indiana) is famous for brilliant, unflinching performance.

### Red Crown Ethyl Gasoline

has won its popularity by performance. Proved Dependability was the influencing factor. Motorists boast about what it will do. Friends "try it once"—and continue to use it. For Red Crown Ethyl improves performance in a way that you can notice immediately.

At the wheel you can feel the difference Red Crown Ethyl makes. New life—new power—new speed at your command! Your car is easier to drive—quicker to pick

up—smoother in low gear and swifter in high. Climbs hills with power to spare! Red Crown Ethyl "knocks out that knock".

Red Crown Ethyl is Red Crown, the famous premium gasoline, with Ethyl fluid added to give it all the advantages of high compression. High compression fuel that will improve the performance of any engine. A tonic for any car. See what it will do for yours!
