

Time Worked Its Change

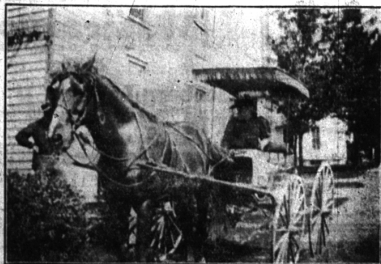

And Gave Place To Greater Growth

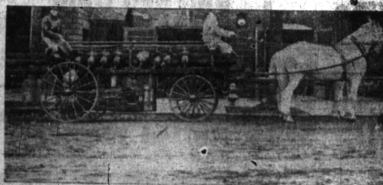

Then Transportation Accelerated Life

With Definite Changes Leaving Behind

The Horse And Buggy Ride

And Slow Safety To Citizensry

The Old Order Changeth...

*A New Birmingham rises
from the foundations of
the old pioneer agrarian
settlement :-: :-: :-:*

to a Village of Homes where children thrive

and today the future of Birmingham assumes Utopian resemblances which invite people from far and wide to come here and live and enjoy life with a maximum degree of happiness, health, wealth and domestic felicity. Throughout the village new ground is being turned and upon this ground are being dedicated new ambitions for wholesome and blissful living for one's self and family.

**"Birmingham ---- a village
of homes where children
thrive"**
