Owners of DODGE TRUCKS call it PAY LOAD

Your pay load is the load of actual merchandise you deliver—the load of the actual commodity you haul—whatever the size of the truck, whatever the nature of the load. There is no profit in hauling the truck itself, or the body. That's expense. Dodge Truck owners know the dollars-and-cents meaning of Pay Loads. That's why there are so many Dodge owners. Excess weight was engineered out of Dodge Trucks long ago. For your information—for comparison, and we invite it—we will be glad to go into the detail of sizes, weights and prices on the 51 standard Dodge Truck Chassis.

"God the only Cause and Creator" was the subject of the Lesson-Sermon in all Christian Science Churches on Sunday, June 9. Among the citations which comprised the Lesson-Sermon was the following from the Bible: "The Spirit itself beareth witness with our spirit, that we are the children of God" (Romans 8:16). The lesson-Sermon also included the following passages from the Christian Science textbooks: "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Every concept which seems to begin with the brain begins falsely. Divine Mind is the only cause or Principle of existence. Cause does not exist in matter, in mortal mind, or in physical forms" (p. 262).
