Don't envy Commander Byrd

You can elude sultry days and sweltering nights without sailing away from your own comfortable home, if you have a Westinghouse Fan. Its cool, quiet, rippling breeze will give you joyous relief from nagging heat waves—and will carry fresh coolness to any part of your home or office.

Let us provide you with one of these breeze-makers. We carry them in all sizes and at all prices. There's the Home Fan, richly finished—with three speeds—and the various types of commercial fans that will make working people comfortable, and keep their efficiency from falling when the mercury climbs. Whatever the type, any Westinghouse Fan is economical to run and runs quietly—so quietly you notice only its cooling breeze. Come in and let us turn one your way. And you'll want to take it home with you!
