KOZAK

AUTO DRY WASH

Price \$1 - will save \$50 in washes

A NEW automobile, splashed and spattered, can be perfectly cleaned in a few moments. It must be DRY. Use long, straight sweeps with a Kozak cloth pad and pressure enough to remove dirt, dust and mud. Then use heavy pressure for any water stain spots. Thousands of automobile dealers keep new cars and demonstrators clean with Kozak cloths. Many individual owners don't care to drive dirty cars, but can't take time for washing. A dollar spent for a Kozak will save \$50 in washes.

BASE U. S. PAT. OFF.

Do you bathe? Do you know Melo?

You probably bathe in hard water. . . . Water that mixes with the soap, and forms a dirty ring around the tub. . . . scum! And there's just as much scum on you too.

Melo will soften the hardest city water and make it a wonderful cleaner, with or without soap. Add bits of soap to that. Then lots of suds will come. No dirt. No ring. No scum. Melo only costs 10 cents a can. Buy 3. Keep one in the kitchen, one in the laundry, one in the bathroom. Get it at your grocer's—today.
