## TEACHER LIST IS ANNOUNCED FOR SCHOOLS

Twelve New Teachers Added to Staff of Village Schools

### ALL VACANCIES FILLED

A complete list of the faculty for the year 1929-30 in Birmingham schools is announced today by Clarence Vliet, superintendent of schools.

All vacancies are now filled by the addition of 12 new teachers to the staff, Mr. Vliet said. The Birmingham school system now employs 105 teachers and eight persons in an administrative capacity, he explained.

## WE HEARD IT SAID BY—

Commissioner Robert R. Allen: "The speed limit on Woodward avenue in Birmingham is set at 30 miles an hour rather than 25 as in other communities along the street, between here and Detroit, because of the condition of Woodward in the village. Until it is widened in the southern part, the speed limit will be kept at 30."

## BALDWIN WINS CHAMPIONSHIP

Adams Juniors' Second in Little Six League Play-off

Baldwin Junior High School's baseball team and Coach Ernest Engle today are in possession of the trophy for winning the championship of the Little Six League. The deciding game was played last Wednesday and ended in an 11 to 6 victory for Baldwin. Adams took second place in the league by defeating Ferndale 10 to 9 the same day.

Other teams in the league are Hazel Park and Berkley.

Baldwin Junior High school won the first annual junior high village field meet Saturday at Barnum field swamping the Adams group with a score of 85-33. The high point scorer of the meet was McDonough of Baldwin who chalked up 20 1/2 points.

Baldwin copped 10 first places to Adams' four, 10 seconds to Adams' seven. It being the first village meet all first places were established as records.

Among those to receive awards in track at Baldwin are: D. McDonough, J. McKee, C. Groves, R. Bunyan, J. Patterson, K. Hunt, W. Guckleburg, R. Jones, J. Packard, D. McAlpine, L. Ward, C. Mathews, H. Whalen, M. Freeman, R. Aldrich, J. Mills and A. Weeks.

## BALDWIN DIAMOND MEN HAVE BAD TIME OF IT IN TWO STARTS

Monroe 10, Baldwin 4. Founding Wedge hard, the Monroe High School team took Baldwin into camp on its day of Friday and went home with their usual strong support and when the Monroe boys hit they too often arrived on base.

The fourth inning was the big one for Monroe. Three men went on base when Frank, the visitor's pitcher, crashed one into deep left for a home run. They scored five runs that inning and maintained the lead for the remainder of the game.

Wedge proved again that he is a double threat of the baseball diamond by knocking in two runs in the fourth when he doubled into the tennis courts in deep right.

**Pontiac 12, Baldwin 3**  
 Baldwin lost its second game of the season to Pontiac in a game that the team met again Tuesday at Barnum Field. The game also marked the first defeat of Herman Schwarcz after five other successful starts. Pontiac chalked up 12 runs against 3 for Baldwin.

The game was listless although interesting in spurts. Despite the number of runs scored by the visitors, Schwarcz held Pontiac to 10 hits while his team mates totaled seven. This number is far greater than that of the other teams have been able to gather against Haines, the Pontiac moundman, who pitched three no-hit games this season.

**Royal Oak Captures First, With Ferndale Nosing Out Villagers**

**BALDWIN BOYS STAR**  
 Birmingham was noosed out of first place in the Oakland County track met in Ferndale Saturday by the home team while the Pontiac thunders romped to the top with enough points to end far ahead. Pontiac scored 59 5/8, Ferndale 42 1/2 and Birmingham 31 1/2. Royal Oak was fourth with 28 5/8. All are class A and B schools.

**S. E. A. A. MEET SATURDAY**  
 The Baldwin track team will be in Ypsilanti Saturday to take part in the annual S. E. A. A. meet. This is considered the most important on the schedule. This meet will end activities for the Baldwin team.

The relay race was the most thrilling event of the morning. Birmingham won it from Ferndale after a close duel all the way. Porteous, star dash man nipped Ryan at the tape in what was almost a dead heat. From the start it was a duel between the first two teams. Ferndale held the edge most of the distance.

Only in the second leg of the race did the Railplitters lose on their rivals. Barkus made a perfect pass to Ryan of Ferndale for the last leg of the race but Porteous made up the three yard lead that Ferndale had and took the event.

**Rollins Takes 440**  
 King and O'Brien of Royal Oak carried off the honors in the hurdles by finishing in the first two places in the low timber and taking first and third in the highs. Stout of Pontiac was the iron man of the weight events, taking first in both the shot-put and discus, in which his team mate, Johnson, finished second.

Ryan of Ferndale leaped 20 feet, 3 3/4 inches to clinch the broadjump on his first trial. Krotz and Mogg continued their rivalry in the javelin in which the Ferndale boy again was a winner. The 410 was a close race. Rollins and DeBerg of Birmingham came in first and second with Thingsted of Pontiac a close third.

In a driving finish Chase of Pontiac defeated Briggs of Ferndale in the 860, another feature event of the day. The mile was taken by Newman of Pontiac. Miller and Wright took second and third for Ferndale in a close finish with Renwick of Pontiac.

Porterson of Birmingham lived up to his reputation by winning both the 100 yard dash and the 200 in both events. He was crowned by Scott of Royal Oak who finished second in each.

**1 Mile run:** Newman, Pontiac; Miller, Ferndale; Wright, Ferndale; Renwick, Pontiac. Time 6:04.  
**440 Yard dash:** Rollins, Birmingham; DeBerg, Birmingham; Thingsted, Pontiac; Wendale, Pontiac. Time 5:3.  
**Shot put:** Stout, Pontiac; Johnson, Pontiac; Kieran, Ferndale; Weber, Pontiac. Distance 38 feet 11 1/2 inches.  
**130 Yard high hurdles:** King, Royal Oak; Pace, Pontiac; O'Brien, Royal Oak; Brown, Birmingham (disqualified). Time 1:53.

## STEARNS PIANO FAREWELL

PIANOS RENTED FOR SUMMER HOMES

Birmingham High School's student body's farewell to the graduating class will take place in the school auditorium Friday afternoon when the Seniors, in cap and gown, will march for the last time.

Letters for athletic prowess will be awarded by the coaches, and numbers by the boys' glee club for the first time this season will constitute the entertainment.

Letters for the various spring sports, including baseball, tennis, and basketball, will be awarded by Coaches George E. Johnson and E. T. Engel, and Earle Corrovert, public speaking instructor and debating teacher, will award the honors to the debaters, Norma Martin, Richard Fleming, Patricia Chandler, Barbara Hill, and Jack Russell.

Students having received honor or full rating every month since September will be awarded the gold scholarship "B" given in recognition of their records.

## BAR SPEECHES AT BANQUET

The annual dinner that the advanced cooking class served the board of education was given last Monday night. For once the persons present were allowed to act natural at a banquet and all dinner technicalities were omitted when the faculty were permitted to come and go without even giving a speech.

The dinner was a three course affair with chicken being the main attraction. The placards were designed after the private profession of the board members and in some cases were humorous.

Those who enjoyed this special feature were: Clarence Vliet, Louis Randall, Melvin Hart, Rolla Corryell, Guy Jensen, Ray Palmer, Fred Quarton and Leigh Lynch.

The decorations were of a flower design with roses and irises intermingled over the ceiling. The persons responsible for this were also members of the home economic class. Mrs. Leta Bloomfield supervised the job and this is the third annual event of this kind given under her direction.

**VLIET TO STUDY AT ANN ARBOR**  
 Clarence Vliet, superintendent of schools, will attend the summer school of the University of Michigan where he will do work on his Masters of Arts degree. He plans to take courses in sociology and philosophy.

Mrs. Myrtle Needles, a cripple, who had to be helped to the platform, won the singing contest at the annual music festival in London.

Louis Massigole of Brussels was arrested for stealing his wife's diamonds to pay his debts.

Two years of supplies are being safeguarded through the tropics for the Byrd Expedition ... by KELVINATORS

IT IS expected that the Byrd Expedition in the Antarctic shall last at least two years. Months and months of planning have gone into making this achievement possible.

Particularly in selecting adequate stores that will last so long a time.

This two years' supply had to be carried through the tropics. The slightest failure in refrigeration could ruin these supplies—and with them the expedition.

To make sure there would be no such failure, Kelvinators were entrusted with the task.

Kelvinators of just the same type as we can show you here. Kelvinators that will catch and hold the full wholesomeness of your food—Kelvinators in a complete line to suit every need and every purse!

Come in and see them soon.
