BALDWIN WINS OVER POINTERS IN FAST TILT

The Baldwin High School baseball team nosed out the Grosse Pointe nine at Barrum field by a 4-3 score. The Maroon and White boys were plainly the aggressors in the contest, rapping out eight hits while the Grosse Pointers were held to five safeties.

Schwartz, who took the mound for Birmingham, had the visitors on the hip all the time. He knocked out a double and single which scored the winning run. To add to the luster of his performance, he struck out eight opposing men when runners were on base. The first run was scored by McGinn who tripled to center and scored on Moore's single to right. In the sixth the Baldwinites practically sewed the game up when Neal singled Ford and Brian across after they had got on base on an error and a fielder's choice. Nordheim scored the winning run when he hit a smashing single over second and moved to third on the pitcher, for a wild pitch. Schwartz rode a fast one straight at the pitcher, for his second hit of the game. It was this hit that scored Nordheim and won the game for Baldwin.

HONORED

Fred L. Johnson

The Eagle Scout insignia—the highest awarded by the Boy Scouts of America, was presented to Johnson, a junior at Baldwin high school and assistant scoutmaster of Troop 4, at the bi-monthly meeting of the court of honor, Friday, at the Baldwin Public Library. He is the thirteenth in Birmingham to receive this honor. He also scored on Burroughs' double. That ended the scoring until the seventh when Ziegler singled and Fuchs hit a homerun over the fence.

This is the fourth victory for the local baseball team and the winning pitcher in each of these contests was Schwartz. The next game is with Port Huron which will be played next Saturday and

JUNIORS PLAN '29 RECEPTION

Preparations for the annual Junior-Senior reception, which is held annually in the form of a banquet and dance, are well under way. It is announced through Herman Schwartz, president of the Junior class.

The reception is an annual event given each year to the Seniors by the Juniors. The general committee for the event is composed of Herman Schwartz, president of the 11-A class, Stoddard White, president of the 11-B class, Ruth Harrington, Barbara Stecker, Geraldine Kessler, and James Winborn. H. Earle Corbett and the Misses Marie Taylor, Evangeline Pursell, and Evelyn Gray as advisers for the Junior class as a whole, are advisers.

Wedge will be the starting hurler in that contest.

By catching a fly in the final period, Ferrdale High's baseball team was able to stop the advance of Birmingham's nine and prevent the Maroons from scoring four possible runs and winning the game. The final score was 5-4 in favor of Ferrdale.

The visitors accounted for two of their runs in the first inning when Alfred singled and was driven home by McGeech's homer over the right field fence.

Birmingham knotted the count in their half of the second frame on Bier's single, scoring Schwartz, who got on on an error, two walks, and another error. However, Ferrdale scored three runs in the sixth inning to forge ahead of the Maroons, who had previously accounted for another marker in the third.

Schwartz relieved McGinn who had lost control. Ferrdale had scored their fifth run in the sixth.

After Schwartz reached first on an error, Cord was put out at first, Moore drove an infield fly to supposedly ripped off second, contemplating a double play. The visiting team understood the umpire to declare Schwartz out and started to leave the field. Meanwhile the runner hustled home and was declared safe. An argument was immediately begun which finally was ended with Birmingham being fined on a one-point margin. The final play was made when Harris singled to the opponent's shortstop.

Seven new students have been added to the enrollment of Adams Junior High School. Harry Stark and Bounds Gunn have transferred from Baldwin Junior High School. Other new students are Earl Doherty, Lila Stewart, June Willard, Mary May, Sidney Lockhart, and Helen Willard.

WASHINGTONITES ASK FOR DANCES

A petition from the Senior Washington group to the board of education asking permission to hold Friday afternoon dances in the school auditorium for school students alone was laid on the table at the meeting Monday night.

Superintendent Clarence Vliet was advised to confer with Principal Melvin C. Hart and the Senior Washington committee relative to the dances.

It was planned that dancers would be charged for each dance and the proceeds given to the Senior Washington treasury.

Rolla J. Coryell, president of the board, expressed disapproval of the plan, saying that permission granted to one group meant demands from other groups. "It will merely mean the old subject of dances in the school," he said. Other members of the board were of the same opinion.

Carlton Adams, son of Mr. and Mrs. Frank Adams, of Birmingham, a member of the Albion College track team Saturday accompanied the team's bowling pole vault events. He is a junior and has recently been elected president of the college band. He was the guest of his parents at their home last week end.

A total percentage of 91.8 won the monthly attendance and punctuality banner for Miss Gladys Rogers' session room of 'A' students at Adams Junior High School for the past month.

Results of the semester tryouts for positions on the staff of the fall volume of the Maroon and White, Baldwin High school newspaper, will be announced shortly, following the tryouts which are being held at the school.
