MOTHER'S DAY

ON this Sunday—her nationally observed "day of days"—every son and daughter wants to make their best friend on earth happy. These little presentations of your love and devotion are just a little "fussy," the things she'd like, but probably wouldn't buy herself—so

Hose won't you let us help you decide on your gift for Mother?

Most Mothers prefer service weight hose, but we have the shades she'll like in both the service weights and in chiffon.

We have a collection of gifts that will be most appropriate, including—

Jewelry

New costume jewelry to go with her Spring and Summer clothes. Bracelets, rings and neckpieces are as popular with Mother as with daughter.

Silk Underwear
 Silk Robes
 Rayon Underwear
 Sweaters
 Dresses
 Fancy Pillows
 Hosiery Boxes

A Useful Gift for Mother—Gloves

We have gloves that are tailored and gloves that are just a bit "lucky." Always appropriate are these gloves of silk or kid, in all the new and beautiful Spring shades.

Purses

There are many attractive styles, large under-arm models, as well as chic pocket effects. They come in round tops and square tops. Mother would enjoy having one.

Handkerchiefs

A most complete assortment of handkerchiefs, both imported and domestic... and we know that handkerchiefs are one of those little accessory items that Mothers like. We have them in lawn, linen, silk, and hand embroidered lawn and linen.

Collar and Cuff Sets

offer a solution to many perplexing gift problems, especially for a Mother's Day gift, for what Mother doesn't like to wear lace collars and cuffs. You may buy them singly, or in sets.
