

TRAFFIC FINES TOTAL \$125

Four Men And Woman Pay For Violating Auto Ordinances

Vernon Hopkins, who gave his address as 7013 Longyear avenue, Detroit, paid a fine of \$40 in the Birmingham Justice Court Monday when he was arraigned before Justice Floyd S. Buck on a charge of leaving the scene of an accident at Woodward avenue and (Continued on Page 6, Part 2)

OAKLAND COUNTY NEWS

City Manager Clifford W. Ham of Pontiac was elected president of the International City Managers' association at the conclusion of the third day's program of the sixteenth annual convention of the association at Fort Worth, Texas, yesterday. The convention next year will be held at San Francisco which was favored over Detroit and Milwaukee. The sessions will end today. Mr. Ham had a prominent place on the program at the convention.

On Thursday morning he presided at a discussion on "Training of Public Administration After Entry Into the Service," and in the afternoon he spoke on the subject, "The Extent a City Manager Should Participate in the Determination of Public Policy."

Two "conquering heroes" returned with a bear instead of a deer, and it was so heavy it almost broke the springs of the auto to haul it home.

That is the record of Farrell "Red" Glaspeie of Ninth street and Edward McDowell of Troy street, Royal Oak who have just returned from a hunting trip 20 miles west of Fleming in the Upper Peninsula.

They chased the bear about a mile and when it was just about to enter his hole, both emptied their guns at him and killed him.

While bathing at Walked Lake the evening of July 9, Miss Esther LaRoque claims she was struck by a water sled that shot down a chute in the lake. As the result of the accident, Miss LaRoque says she sustained a broken leg, had two front teeth knocked out and the rest loosened, suffered from cuts and bruises, internal injuries and a nervous shock which she asserts has left her permanently disabled.

Through her mother, Mrs. Hattie LaRoque, Miss LaRoque has filed suit for \$2,000 damages in a civil action she has brought in Oakland County Circuit Court against Louis Tallene, said to be the owner of the slide. He is blamed for failing to have roped off the bathing beach, where would have been no danger from the sleds.

Oxford Village Council was ordered to permit its clerk to issue a license for the operation of a billiard parlor at 19 North Washington street, Oxford, in a decision handed down Saturday by Circuit Judge Frank L. Doty. The court heard a motion for a writ of mandamus the first of the week brought against the village officials by Hollie L. Haines, Robert G. Cox and Marie F. Haines.

Alfred Renaud, 3021 Goodrich avenue, Ferndale, and William Richardson, 503 North Main street, Royal Oak, were found guilty by Justice Fred E. Gordon in Ferndale municipal court Thursday afternoon of assault and battery upon a 16-year-old Ferndale girl. The youths were sentenced to serve 90 days in the Oakland county jail, without option of a fine.

Village President Stephen E. Hurd was instructed by the Berkeley commission Thursday to attend the next meeting of the stream control commission at Lansing, Dec. 11, and oppose any action which may be taken on the proposed Oakland-Macomb drain that will cause a special assessment to be levied against the village. The president was given full authority to act within his judgment and can choose such sides as he sees fit.

Fire destroyed the office and scale house of the Taylor M. Cole Co. at Oxford early Monday morning. The building, known as the old Josman elevator, was completely destroyed. (Continued on Page 3, Part 2)

AWAIT TRIALS FOR SLAYINGS

Gorman And Cross To Be Tried In December At Pontiac

Pontiac—Of the two murder trials of county-wide interest which are scheduled to be tried here during the December term of Circuit Court is that of Ray Gorman charged with the slaying of George Townsend, former Birmingham police officer.

The trial promises to be sensational. Gorman charged following Townsend's death that he shot Townsend after a quarrel. He declared Townsend demanded that he aid him in holding up a gambling house and that he refused. Gorman explained that he did not make the statement before Townsend's death because he did not wish to blacken his reputation if he lived.

Evidence which the prosecution will offer to combat this statement has not been disclosed beyond a statement made by Townsend before he died in which he said he was attacked without provocation, thrown from his car and left to die by the roadside.

The second trial on the December calendar is that of former sheriff Charles Cross charged with the killing of Earl Eveland, former Pontiac City secretary. The jury is to report for duty at the December term on Dec. 3. No announcement has been forthcoming from the prosecutor's office as to the date when the murder trial will be opened.

ESCAPES INJURY

The lives of three elderly persons were endangered Friday at Woodward avenue and the Long Lake Road when Melton Hill of Cooks, Mich., drove his machine south in Woodward avenue in the wrong side of the highway, according to a report of William Putman, chief of police. Hill, in an attempt to drive on the right side of the highway when he realized his mistake, drove over the interurban tracks, was narrowly missed by a northbound car and then into the path of a large body truck. Only the excellent driving of the truck driver prevented a serious accident. Putman said. The collision damaged Hill's machine but none of the passengers was injured.

F. & A. M. ELECTS

Announcement is made today of the annual business meeting and election of officers of the Birmingham lodge No. 44 of the Free and Accepted Masons Thursday, Dec. 5 at the Masonic Temple. Officers will be installed at a public installation, Dec. 19, the first to be held in a number of years. A program of entertainment followed by dancing will also be features of the evening.

TRUCK DRIVER FINED

Paul Messer, 1615 Canfield avenue west, Detroit, a driver for the Davidson Cartage Co., was fined \$15 by Justice Floyd S. Buck Thursday for driving his truck which carried a load 1,700 pounds in excess of the amount allowed by village ordinance.

THE SOCIAL SIDE

Something About Village Clubs

THE ZONTA CLUB
The Zonta club, comprised of 10 business women is the only nationally affiliated service club for women in Birmingham. The village branch of this national organization of 10 years standing

MRS. L. E. HOLTON

had its origin three years ago at a luncheon given by Mrs. Margaret Thomas, assistant village treasurer. A group of village business women were guests at the affair. Soon they fell into the habit of luncheon together once a month.

In 1928 Mrs. Myrtle Carson suggested that they form a branch Zonta club. In Sept. 1928 the village group was organized by the Zonta Zontian and Mrs. L. Virginia Hewitt was named temporary chairman. Six months later the club was affiliated with the national association and Mrs. L. E. Holton named president. Other officers were: Mrs. Myrtle Carson, vice president; Mrs. Wynn B. Easterday, secretary; and Mrs. Martha Wilson, treasurer.

Members Are Classified
The Zonta club has for its motto, "fair, square, everywhere." Its membership is classified and made up of business owners or executives who devote at least 60 per cent of their time to their profession. One active member of each classification is permitted. The Birmingham group has the distinction of having the only hydraulic engineer listed among Zontians throughout the country. Mrs. Margaret Grant, of the Keystone Well Drilling company is listed under this head. More than 2,200 members are reported by the 58 branches of the national organization scattered throughout the country. They have as their service the founding of scholarships for girls. Village services also are listed among the work of the Birmingham group. Zontians meet every Thursday for a social luncheon hour. A business session is held once a month.

THANKSGIVING DAY

What a day it is!—But is it only an occasion to sit down to a turkey dinner in holiday spirits?—Gratitude for present joys and the future's opportunities must have a place.

And let it awaken thoughts of our personal possibilities—of the fine things we want to do. May we realize that just as these hopes must have financial backing—that a steadily growing bank account may be a stepping-stone to their fulfillment.

Why not begin to realize these hopes—at this bank—next pay day?

WHAT'S WRONG AND WHERE?

How good are you at finding mistakes? The artist has intentionally made several obvious ones in drawing the auto picture. Some of them are easily discovered, others may be hard. See how long it will take YOU to find them. See page six of this section for list of errors.

S.O. WYLIE BELL FUNERAL DIRECTOR

820 East Maple Birmingham, Mich.

PHONE 29

When one calls a doctor or a lawyer, he likes to be sure he is calling experienced assistance. And when a funeral director is called, the same assurance is mighty important.

The fact, therefore, that we have many years of experience back of us is one which is exceedingly valuable to us in rendering truly Golden Rule service.

THE GOLDEN RULE SERVICE
NOT BY WORDS BUT BY DEEDS
