Under the tariff the routes are divided into five cent zones north of the Ford Plant in Highland Park. A series of commutation tickets enables the great majority of the users thereof to make their journey at or lower than the present rate. The single cash fares resulting somewhat increase the cost of transportation of the occasional rider.

Commutation Tickets Are Sold As Follows:

	I icket Kate
12 10-cent tickets for \$1.00	08 1-3 cent
8 15-cent tickets for \$1.00	12 1-2 "
5 25-cent tickets for \$1.00	20 "
4.55-cent tickets for \$1.85	46 1-4 4 "

These tickets may be used in any combination desired. For example, the payment of a 35-cent fare may be made by using one 25-cent ticket and one 10-cent ticket or by the payment of one 15-cent ticket and two 10-cent tickets.
