

### NO INQUEST IN YOUTH'S DEATH

#### Investigation Completed In Accident Fatal To Walter Hathaway

No inquest will be held in the death of Walter R. Hathaway, 26, who was killed when a wall of a building being demolished on south Woodward avenue fell on him. It is announced by Coroner O. C. Farmer.

Funeral services were held for the young man Friday afternoon at the S. O. Wylie Bell Home for Funerals with the Rev. David Leon Woodward, pastor of the First Baptist Church, officiating. Burial was in Greenwood cemetery.

Announcement that no inquest would be held followed an investigation into the accident, made by Police Chief Orra J. Tuttle and Mr. Farmer. The wall was on property owned by Boughner Brothers, William and Howard Boughner and Howard Baxter, working with Hathaway at the time leading a truck escaped injury when they ran after a passer-by called a warning that the seven foot wall was falling. Hathaway became confused and ran in the wrong direction, witnesses said.

Building models with beautifully decorated glass walls and ceilings were recently exhibited in New York.
