"Are Sin, Disease, and Death Real?" was the subject of the Lesson-Sermon in all Christian Science Churches on Sunday, October 12.
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "The night is far spent, the day is at hand; let us therefore cast off the works of darkness, and let us put on the armour of light." (Romans 13:12).
The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Mortal existence is a dream of pain and pleasure in matter, a dream of sin, sickness and death; and it is like the dream we have in sleep, in which every one recognizes his condition to be wholly a state of mind" (p. 188).
