## TEACHERS PLAN DISCUSSIONS

Schedule Given For Faculty Meetings; Department Chairmen Named

Faculty meetings for Birmingham Public Schools are to be carried out this year with departmental discussions instead of the general meetings. This is expected to enable all teachers to become identified with their special teaching course, declares Melvin C. Hart, principal of Baldwin High.

Following are the teachers who have been appointed chairmen of the departmental meetings: Mrs. Aris Horwath, English; Miss Marie Taylor, Mathematics; W. S. Toothacker, Natural Science; Miss Evangeline Pursell, Social Science;

## High School Debaters Begin New Schedule

Birmingham high school is a member of the Michigan High School Debating League again this year and will compete for the interscholastic debate championship of the state, according to an announcement by Prof. G. E. Denmore, manager of the League.

Miss Mable Stickle, Languages; Miss Hazel Schall, Commercial; and Mrs. Leta Bloomfield, Vocational.

Mr. Hart also announces the schedule of meetings for this year:

Oct. 21—General Meeting.  
Nov. 18—Departmental.  
Dec. 16—Departmental.  
Jan. 21—Departmental.  
Feb. 17—General Meeting.  
March 17—Departmental.

## BASKETBALL SQUAD REPORT FOR PRACTICE

40 Candidates At Adams Respond To Call For Early Practice

FEW VETERANS BACK

Approximately 40 candidates for the Adams Junior High basketball team responded to Coach Wiseman's call for campers last week. Although the majority of the men are inexperienced and need considerable training, only four first string men from last year remain. Of these Anderson and Schooby will be lost in February through graduation. The team will feel the loss of Moran, a star player attending school elsewhere. T. Schooley, Sabom, Anderson, and Schenkman are all returnees.

Last year Adams led the Little Six League, winning all but one game for the honor of first place. The one defeat was to Berkley. The loss came toward the end of the season after Adams had successfully vanquished the strongest teams of the club. The Baldwin Junior High has never had a victory over an Adams first team although they have held the upper hand inter-class matches.

The men this season are comparatively light and lack the size of previous teams. Coach Wiseman will give the squad considerable practice with an extra training camp and hopes to build a capable team. Adams will remain a member of the Little Six League of which Baldwin, Royal Oak, Ferndale, Hazel Park, and Berkley are members. A Little Six meeting will be held in the near future to determine rules and regulations for the coming year.

Men out for the squad are: Forwards—Jensen, Schwarze, Donaldson, McKinnis, Whittaker, Davis, Greene, Ziegler, Cummings, Wygant, Stormfelt, Parker, J. Cummings, and Huron. Centers—Schooley, Harris and Burgess. Guards—Anderson, Eggert, Kiley, Higginbottom, Brown, Dinzel, J. Schooley, McHugh, Ewald, Sabom, White, Pettipiece, and Boynton.

## EDISON HONORED BY STUDENTS

In accordance with the Golden Jubilee celebration of Thomas A. Edison, the Senior Science club meeting at Baldwin High was carried out through a program on "Light." Included on the program was a report on "The History of the Incandescent Light" by Ervin Andrews and an account of the "Life of Edison" by Margaret Coryell.

## PAPER SPONSORS SALE OF HATS

The Maroon and White official publication of Baldwin High School, opened last week its sale of trench hats and berets which are made in maroon and white, the High School colors. The suggestion was made by Coach George F. Johnson as one way of showing colors at the games and to liven up school spirit.

## 30 STUDENTS NOW IN BALDWIN BAND

The Maroon Band consists of about 30 pieces at present although several of the members are active on the football team which makes it impossible to have full attendance for the games. Elton Buck, drillmaster, took the band through the drill before making its appearance at the Ferndale game.

## COUNCIL MOVES TO IMPROVE CLASS ACTIVITY

Improved activities in the High School were discussed at the meeting of the Junior High Student Council Thursday. It was suggested that fire drills be under the supervision of the Council to promote more quiet and quicker emptying of the building. A class in pottery is also being considered and a trophy case will be placed in the Junior High corridor.

Eldridge Drury, president of the council appointed the regular session room reporter for this year. The duty of the session room reporters is to give a full account of each council meeting for the benefit of the student body. They are—Becky Janop Tomison, Eldridge Drury, Lenore Wernuth, Betty Wood and Betty Quarton.

Contracts for the purchase of 162 new airplanes have been approved by the War Department.

### A Kohler Bathroom is a Modern One

The colorful new Kohler fixtures in the pastel tints carried out in the latest bathroom equipment makes the bathroom the joy of the home. You can have an extra bathroom at little cost, and it will mean a world of convenience and comfort to the entire family.

Come In and Let Us Tell You About It.

Phone us for plumbing repairs.

Try this service next week. Send everything. See what an economy it is in actual cost and hours of freedom.

Cost, 12c per lb.—plus 25c per lb. for wearing apparel. Small extra charge for silks and extra fancy pieces.

## PALACE-MODEL LAUNDRY

BIRMINGHAM 1170

GLENDALE 5680 DEARBORN 729 ROYAL OAK 4745

64 in Series

Only the 64 schools with the highest percentage of victories will be entered in this Elimination Series and each of these sixty-four schools will receive the University of Michigan Wall Plaque Trophy through the co-operation of the Detroit Free Press. The Trophy is in the shape of a shield, the design of which was taken from the well-known University of Michigan shield. Its base is of American walnut, 17 inches in height and 15 inches across the top, and the medallion superimposed upon the shield is 9 inches in diameter, three-eighths of an inch thick, and is cast in solid bronze with all lettering artistically embossed.

While the Elimination Series, beginning on February 14, is in progress the sixty-four schools will debate among themselves with defeated schools dropping out after each debate until only two undefeated schools remain. The two schools will be taken to Ann Arbor, at the expense of the University, for the State Championship Debate on April 25. Each of the six debaters participating in this final debate will be presented with a gold watch by The Detroit Free Press and both schools will receive a large bronze trophy cup, one engraved First Honors, the other engraved Second Honors, presented by the University of Michigan Extension Division.

The University of Michigan Extension Division will recognize the success attained by the two semi-final schools by presenting each with a bronze trophy cup properly engraved.

Many in League

Any four-year high school in the state may become a member of the Michigan High School Debating League by applying for membership to Professor G. E. Denmore, Manager, University of Michigan, Ann Arbor, Michigan.

The Michigan High School Debating League, the largest foreign organization of its kind in the United States, was organized by the Board of Regents of the University of Michigan in 1917 with a membership of sixty-four schools which has steadily grown to the membership of 150 schools of last year. With this largest enrollment in the history of the League, 150 high school debaters participated in 625 debates which were heard by 130,000 people of the state.

The final State Championship Debate of last year, held in Hill Auditorium in Ann Arbor, where Cheboygan High School defeated Grand Rapids South High School, was attended by 4,000 people, which is the largest audience ever to attend a debate in this state.

## GIRL SCOUTS PLAN TRIAL

Girl Scout troop No. 8 is planning a trail which will be sponsored by the older girls of the troop and the captain, Mrs. Leta Bloomfield. This will also be considered as a part of the tenderfoot test for new members. The troop has lost several old members who have joined the Senior organization.

The new members are Catherine Basset, Ruth Church, Peggy Mills, Dorothy DeLac, Martina Stoll, and Jane Brede. The troop has changed its meeting place from the Community House to the Baldwin Public Library.

## One of These Cold Mornings

There comes a time in the experience of every motorist when he is reminded of his battery usually by its failure to start the engine.

One of these cold mornings that may happen to you, unless you give that little black box some pre-winter attention. Better drive in today and make sure it is fully charged.
