

EVERYTHING must be sold before we move to our new location !!

Do You Remember?

way back when Birmingham was springing up from a little town of a few hundred population, when the streets were narrow, and the business houses could be counted on your ten fingers?

All of this is history, and the development of the present day has meant looking ahead. The growth of the Birmingham Department Store has kept pace with the growth of the community—growth that has meant not only larger stocks, greater selection, better service, but new friends, new business relations.

AND NOW—we announce another milestone in our progress, in the progress of Birmingham—A BIGGER AND BETTER BIRMINGHAM DEPARTMENT STORE soon to be located at the southeast corner of Woodward and Maple Avenues in the new Briggs-Birmingham Building.

Our Removal Sale!

coming at a time when new fall lines are being emphasized, when new things are needed for the entire family for fall and winter, provides still another opportunity of service to you.

Prices are cut without regard to value.

BECAUSE of the unusual character of this sale; because every item of merchandise is from our regular stock; because every department will participate in offering remarkable values; because it is a Birmingham Department Store event executed in a typical Birmingham Department Store manner, we know our patrons will welcome this opportunity, and we expect to make many new friends. In an event of such magnitude we can but slightly suggest its possibilities by mentioning a few typical values.
