MEMORIAL DAY DONATION MADE

Birmingham's observance of Memorial Day, May 30, is assured a fitting ceremony of martial solemnity, with a parade of World War veterans and other military and civic organizations. An appropriation of \$125 by the village was authorized by the Village Commission Monday night on the application of Lloyd L. Stanley, commander of the Charles Edwards Post No. 14, of Birmingham.

The appropriation, which defrays the expense of feeding the participants in the municipal observance, and pays for the construction of a viewing stand on Woodward avenue, is a customary donation to a worthy cause, the commission agreed. The line of march of the parade will be determined by James W. Parry, Village Manager.
