Lesson-Sermon in all Christian Science Churches on Sunday, August 17.

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "With my soul have I desired thee in the night; yea, with my spirit within me will I seek thee early; for when thy judgments are in the earth, the inhabitants of the world will learn righteousness" (Isa. 26:9).

The Lesson-Sermon also included the following passages from the Scriptures: "Spirit is Health with Key to Christian Science" by Mary Baker Eddy; "Spirit is eternal, divine. Nothing but Spirit, Soul, can evolve Life, for Spirit is more than all else, because Soul is immortal. It does not exist in mortality" (p. 335).
