BIRMINGHAM NET TEAM VICTORIOUS

Swamps Highland Park Y. M. C. A.; Labor Day Tourney Plans Made

The Birmingham Tennis Club's team administered a severe beating to the Highland Park Branch of the Y. M. C. A. Sunday when they defeated them in two sets of doubles and two sets of singles on the club courts at Birmingham.

Plans and entries are now being made for the annual Labor Day Open Tournament which commences Aug. 30. According to Irwin Kelly, of the Tennis Club, there are already several registrations for the contest and drawings will be made this week to determine partners and opponents.

Anyone, whether a member of the club or not, and regardless of place of residence may enter in the tourney, Mr. Kelly said.

The first matches are scheduled for Saturday and will continue until the finals on Labor Day. Matches will start at two o'clock on Saturday while the finals start at two-thirty on Labor Day. Mr. Maxwell, of the Detroit Tennis Club, will return this year to defend his title. Last year he was awarded the loving cup offered to the winner of the singles contests. Much interest is being shown among the Birmingham residents and the tournament is the peak of the season in the Birmingham Tennis Club schedule.

The Highland Park Y. M. C. A. took only one set of singles as their portion of victory in the matches Sunday while the Birmingham Club downed the opponents in two other singles and two sets of doubles. Highland Park's single win was by Freedman over Menovich, 2-4, 6-4, 6-2.

Mulock of Birmingham defeated Opsal, 4-6, 6-0, 6-1, and Howard Jackson defeated Giles 6-2, 6-2. In the first set of doubles.

WINTER SEASON 'Y' PLANS MADE

Plans for the winter season of the Y. M. C. A. according to Robert Lynd, secretary of the organization, will be completed after the closing Sunday of the "Y" Camp at Leon Lake which has been open to boys for the past eight weeks. Approximately 100 boys were registered at the camp during the last two-week period.

Volunteer leaders for the winter season of the Y. M. C. A. are being selected. The program for the winter season is being planned and it is expected that the groups will be organized by the first of October. The groups have an enrollment of from 15 to 20 boys and for the past years have had the use of the school for meetings. The regular program of winter sports keeps the boys in action and the different groups of the village compete with each other in basketball and other games.

According to Mr. Lynd, the game room for the Y. M. C. A. members, which has been open all summer, will continue to be open during the winter after Sept. 1.

Blind persons in Paris are to be accommodated by automatic telephones with special dials of raised, Braille characters.
