

OAKLAND COUNTY NEWS

(Continued from Page 1, Part 3) alone. The Berkeley rate is \$2 minimum for 1,000 cubic feet of water.

Holly's second annual Flower show will be held Aug. 28 and 29 at the high school gym. The Holly Flower Lovers Garden are sponsoring the show and the general public is invited to attend.

The north end of Long Lake will be the location of the annual pioneer picnic Aug. 28, as is customary. Judge James S. Parker, of Flint, and Dr. Preston Bradley, of Chicago, will be the speakers for the day.

A \$5,000 reduction in the budget of the Holly Village school district will be effected this year. Last year's \$40,000 budget is now cut to \$35,000, a 12 and one-half per cent reduction. A physical education teacher will be added to the staff, and the school nurse will be dispensed with, her work being done by local bureaus.

Hubert Coston, 17 years old, and Earl Smith, 34 years old, are being held in the Oakland county jail charged with illegal possession of liquor, and Leo Miles is held as a witness. Deputy sheriffs found the three Berkeley men at a still Monday morning in the woods on Thirteen-Mile road, west of Middle Belt road, and destroyed a large still and confiscated two gallons of moonshine.

Deputy sheriffs are of the opinion that the hit-run driver who struck and killed Deihen Heffner, four-year-old daughter of Mr. and Mrs. Olfred Heffner, of 1713 East Harry street, Hazel Park, Saturday, has escaped and has no clues. The child was struck at Jarvis ave.

nie and Dequindre road, Hazel Park, as she ran across the street. The body was taken to the Royal Oak township fire hall by Mrs. Porter Stanford, 20255 Derby street, Detroit, and an older sister, both of whom witnessed the accident. The body will be removed to Hickory, N. C. for burial, from where the family moved to Hazel Park four years ago. Surviving besides the parents are four sisters and one brother.

The Berkeley Village Commission has decided that 1930 village taxes may be paid until Oct. 1 without the usual four per cent penalty added during September. The usual August penalty of one-half of one per cent will be in effect until September. Mrs. L. M. Adix, village treasurer, is sending out second notices to taxpayers informing them of the new resolution.

LIBRARY NOTES

By MRS. NANCY B. THOMAS Many people are giving serious consideration to business and business conditions now-a-days. The depression of the last few months has made thoughtful individuals want to know more about the why's and whereof's of such conditions. The Baldwin Public Library has on its reading tables two magazines, "The Business Week" and "Nation's Business," which have articles written by well-known men on these very subjects. Both magazines are well illustrated not only with pictures but with graphs and maps. Following is a list of books which may be borrowed from the Baldwin Public Library: Chain Store Distribution and Management, by W. J. Baxter. Trends in Retail Distribution, by Daniel Bloomfield. Credit and Collection Principles and Practice, by A. P. Chapin. Stock Market Crash—And After, by Irving Fisher. Investment Trusts, Their Origin, Development and Operation, by T. J. Grayson. A Scientific Approach to Investment Management, by D. C. Rose. How to Get Ahead Financially, by William Schneider. If You Must Speculate, Learn the Rules, by Frank Williams.

STOKOWSKI AGAIN WILL BROADCAST

Four radio concerts by Leopold Stokowski and the Philadelphia Orchestra will be heard from coast to coast during the fall and winter of 1930-31, the National Broadcasting Company announced today.

The famous conductor and his symphony group, who made their first radio appearances in a similar series over NBC networks last winter, will again broadcast under the sponsorship of the Philadelphia Storage Battery Company. This season's initial concert will go on the air Sunday afternoon, Oct. 12, from 5 to 6 o'clock, Eastern Standard Time.

On Nov. 16, Christmas Day, and Easter Sunday of 1931 have been announced as subsequent dates for the new series.

When Stokowski finally consented last year to appear on the air with his celebrated orchestra, he became intensely interested in the technical problems of technical broadcasts. Following the conclusion of the 1929 series, on Dec. 8, he spent 12 weeks studying broadcasting methods with O. B. Hanson, manager of NBC plant operation and engineering.

If you want a cigarette that is milder and of better taste..

Smoke Chesterfield

MILDER, YES—BUT SOMETHING MORE. Chesterfield offers richness, aroma, satisfying flavor. BETTER TASTE—that's the answer; and that's what smokers get in Chesterfield in full-stem measure—the flavor and aroma of mellow tobaccos, exactly blended and cross-blended. Better taste, and milder too!
